The Moravian College RN TO BS program delivers the highest quality baccalaureate nursing education to registered nurses in a flexible format.

Designed to be RELEVANT to the learning needs of adult students, Moravian’s nursing courses complement prior coursework and experience.

Generous TRANSFER arrangements allow course units earned at two-year and four-year institutions to be applied to program completion.

There are NO clinical CLOCK-HOUR requirements for RNs in the program. (Some courses will require completion of precepted project hours.)
• Has unique depth and breadth in clinical practice, nursing administration and nursing education and, as a whole, encompasses most specialty areas in nursing

ADMISSION REQUIREMENTS
• Satisfactory completion of an accredited diploma or associate’s degree program in nursing
• Fulfillment of the requirements of the Pennsylvania Nursing Articulation Model (1993) for licensure and practice
• Completion of all nursing program prerequisite courses with grades of not less than C (not C–)

Prerequisite Courses
- Biology 103-104 Human Anatomy and Physiology I and II
- Biology 205 Pathophysiology
- Biology 235 Microbiology
- Chemistry 108 Fundamentals of Chemistry
- Mathematics 107 Elementary Statistics
- Psychology 207 Lifespan Development

SCHEDULING
Course offerings follow the traditional academic format on evenings and times that are convenient for the working adult student.

LENGTH OF PROGRAM
The overall length of the program depends upon coursework previously completed. Most students enroll in eight general education/support courses plus the six nursing courses. Some well-prepared students may take as few as eight course units to meet the degree requirements. To determine transfer of prior coursework, each three-credit course equals 0.75 units and each four-credit course equals one course unit.

Moravian Nursing Courses (1 unit each)
- Nursing 324 Cornerstone of Professional Nursing
- Nursing 331 Holistic Assessment
- Nursing 332 Embracing Dynamic and Challenged Communities
- Nursing 333 Evidence-Based Nursing Practice
- Nursing 334 The Professional Nurse as an Emerging Leader
- Nursing elective To be chosen

GRADUATION REQUIREMENTS
• Thirty-two course units must be completed with an overall Quality Point Average (QPA) of not less than 2.00.
• At least eight course units must be completed at Moravian College.
• Up to 18 course units, in total, may be accepted for transfer credit. Of these, 16 course units may come from two-year colleges.
• All six nursing courses must be completed at Moravian College with a grade of C or better.

ACCREDITATION
The Moravian College RN to BS Program is accredited by the Commission on Collegiate Nursing Education (CCNE).

THE RN TO BS PROGRAM
Special features of the Moravian College RN to BS program include
- Rolling admissions
- Flexible scheduling
- Strong emphasis in professional leadership, evidence-based practice, and community health nursing
- Opportunity for enrollment in global health care courses in order to fulfill nursing electives

FACULTY
The Moravian College nursing faculty
- Has the highest number of doctorally prepared staff in the region
- Is exceedingly accessible and attuned to the unique needs of the adult RN student
- Is actively involved in fostering evidence-based practices in partnership with bedside nurses at Lehigh Valley Area health care networks and agencies
- Participates in global health care programs in developed and non-developed communities in Honduras and Australia
