

Honor Code Ready; Student Center Passes USG

Vote May Be Called In Less Than 2 Weeks

Petitions asking that the proposed Honor Code be voted on by the student body have been circulated during the last week, according to USG President Joe Prorok. If enough people sign the petitions, Prorok expects to hold a school-wide election on Monday and Tuesday, April 28 and 29.

Under the new constitution, an amendment to the constitution—such as the Honor Code—must be proposed upon petition by a simple majority of the student body, becoming effective upon a favorable vote by two-thirds (2/3) of the student body.

Prorok emphasized the fact that a student's signature on the petition does not classify him as being in favor of the code, but it will just signify that he wishes a vote to be taken.

The Honor System was first proposed at a meeting of the USG on November 27, 1956. At that time it was decided that a committee should be appointed by President Karen Johnson for the purpose of setting up such a system. The Honor System Committee presented its report to the USG on February 19, 1957, at which time it was discussed, amended, and tabled.

At the next meeting on March 8, 1957, the USG voted approval of the system by an 18-6 vote. The system was then discussed by the faculty, and a special faculty committee was set up to study the system and to make suggestions for improvement.

The faculty committee completed its study and returned the system to the USG on November 12, 1957. At the next meeting the faculty revisions were discussed, and USG President Dave Jorgensen appointed a committee of five to meet with the faculty committee for ironing out remaining differences. The system in its final form, as approved by both faculty and USG, is printed on Page 2 of today's Comenian.

'Crystal Cotillion' Formal Features Greene Quintet

Final plans have been completed for the Inter-Sorority Formal Dinner Dance which will be held tomorrow evening in the ballroom of the Americus Hotel in Allentown. Entitled "The Crystal Cotillion," it will begin with a dinner at 6:30 p.m. The dance, featuring the music of Joe Greene and his Quintet, will be from nine to midnight.

The dance is open to the student body, and admission has been set at three dollars per couple. Tickets can be purchased at the door or from Joan Albrecht, Mary Lou Clewell, Pat Conover, Audrey Hair, Jane McMurray, and Marcia Morgan. The dinner is for sorority sisters and their dates only.

Decorations are designed to emphasize the formal theme. The centerpiece on each dinner table will be a silver candelabra, and on both ends of the tables there will be arrangements of lavender and yellow flowers. The head table will have two candelabras and three centerpieces. Overhead there will be a canopy of crepe paper extending from the central crystal chandelier.

After dinner, the officers of the two sororities will introduce the officers for next year. They were chosen at elections held this week in the sorority rooms.

Boston Pops, Pianist Featured In 1958-59 Community Concerts

The Bethlehem Community Concert Series membership drive will be completed tomorrow. It has been conducted this week by the concert series.

The featured attractions for next year's series are Claudio Arrau, pianist, and the Boston Pops orchestra. The Pops were here four years ago and are returning to Bethlehem because of an unprecedented demand to hear the orchestra again.

The membership campaign was started with a kick-off dinner on Monday, April 14, at the Hotel Bethlehem. Over one hundred workers attended the dinner.

Miss Catalina Panebeanco, alumna of Moravian College for Women, is membership chairman of the Bethlehem Community Concert Association. The co-chairmen are Mrs. Walter A. Schrempel and Mrs. Richard Westberg.

This is the twentieth year that the Association has held concerts in Bethlehem. Five years ago Moravian College joined the Association. As a result, Moravian College students receive free tickets to all concerts. They will be available in the fall.

The committees for "The Crystal Cotillion" are as follows: decorations, Jean Bassford, Audrey Hair, Faith Hartman, and Sophie Nicholas; dinner, Nancy Baker, Mary Clewell, Mary Ann Grube, and Jeannette Mirne; and publicity and invitations, Nancy Habern, Lois McDonald, Jane McMurray, Marcia Morgan, and Harriet Peters.

The members of the Inter-Sorority Council, which is sponsoring the dance, are Carol Burwell, president; Marcia Morgan, secretary-treasurer; Rosemarie Boyle; Jean Bassford; Nancy Gingher; and Kay McMurray.

Present officers of Alpha Epsilon Pi are Carol Burwell, president; Kathy Werst, vice-president; Ruth Salabsky, treasurer; Jane McMurray, recording secretary; and Joanne Mazur, corresponding secretary.

Phi Mu Epsilon's officers are Kay McMurray, president; Pat Conover, vice-president; Jean Hudak, treasurer; Dora Thomas, recording secretary; and Phyllis Zwarych, corresponding secretary.

Report Will Go To Trustees; \$10 Semester Cost Proposed

The United Student Government this week gave unanimous approval to the building of a student center building on the campus of the college. If approved by the trustees, the plan will cause each student to be assessed ten dollars per semester, with an equal amount to be paid by the college, for a period of ten years, beginning in Fall, 1958. This should total approximately \$300,000. Snyder planned to present the Trustees with the plan at their meeting this week.

In other action the USG chose a beneficiary for their annual charity drive, appointed a new member of the Elections Committee, and set a deadline for USG member clubs and classes for submitting statements of purpose and equipping their representatives with credentials.

The student union building proposal, which was written up by the USG officers and Robert Snyder,

der, Moravian's Director of Development, included, in the main, ideas from the University of Delaware's new building. The proposed building is to include a snack bar, dining rooms, a cafeteria, lounges, student offices, and meeting and recreation rooms. It is temporarily planned for the empty lot on the corner of Monocacy and Laurel Streets.

The new student union would cause the elimination of Refectory and Emcee as eating establishments. The South Campus dining hall and Femcee would remain.

Assessment Necessary

The report gave the following as the reason for the assessment of students for payment:

"The next general appeal to Moravian's constituents cannot take place for at least another five or six years and from the standpoint of absolute necessity will have as its objective, a new library. This means that if a student center is to be realized in the foreseeable future funds must come from some other source.

"It is for this reason, plus the knowledge that student fees have provided in part or in full for student centers on a number of other campuses that these facts are presented to members of the United Student Government."

According to the report, the dining room, general maintenance, and snack bar would be operated by the college, with college splitting profits on the snack bar 50-50 with the USG. General rules, responsibility for recreation and lounge furnishings and equipment, supervision of check room, recreation, and meeting facilities would be under the control of the USG.

It was proposed and passed that the money collected from this year's USG fund drive goes into the William Hauptert Memorial Scholarship Fund. The fund drive will be held from May 12 to May 16.

Deadline For Credentials

It was announced by Bill Rupp, chairman of the integration committee, that the Veterans Club, RAU, Pi Mu, PAC, EBA, and IRC have complied with the USG's request to hand in constitutions and credentials. The Music Board, the Board of fine Arts, the Spelunkers, and the Board of Publications have partially complied. To be approved by the USG, each of these organizations and every other member organizations of USG

Underclassmen Complete Class Elections Today

Elections of the officers of the three undergraduate classes will be completed today, Friday, April 18, at 3:10 p.m. in the lobby of Comenius Hall. The polling place was opened yesterday, Thursday, April 17, at 8:00 a.m. in accordance with a provision of the new U.S.G. constitution, which states that all undergraduate class officers shall be elected on the same day during the second week of April.

Nominations for the various offices were received at class meetings held on Tuesday, April 15.

The junior class nominations included, president Hal Cole Fred DeFrank, and Jerry Heintz; vice-president; Pat Conover, Tony Matz, Walid Nammari, and Bob Sottile; secretary; Barbara Banker, Ann Corbett, and Mary Lesin; treasurer; Bill Davis, Charles Korpics, and Ed Snyder; U.S.G. representative; Nan Gingher, Paul Meilinger, and Tony Morelli.

Nominations of the sophomore class were, president: Bob Gray, Bernie Nering, and Gene Salay; vice-president; Griff Dudding, Gil Lopez, and Paul Noonan; secretary; Jean Bassford, Bob Daneker, and Dolores Lang; treasurer; Jane Keogh, Fred Lipari, and Beverly Luzietti; U.S.G. representative; Nancy Boerstler, Ralph DeWalt, Bob Russoli, and Bob Volko.

Nominations of the freshman class included, president; Jim MacDonald, and Rod Rathburn; vice-president; Neil Eskolin, Barry Gaal, Paul Graf, Jack Jacobs, and Sam Maczko; secretary; Marcee Ammend, Cynthia Geiman, Barbara Roberts, and Hinda Schorr; treasurer; Tom Christianson, Roy Foltan, Ted Rights, and Bruce Robertson; U.S.G. representative; Art Chap, Chris Clark, Don Evans, Jeff Gannon, and Hunter Matthews.

'Underwater' Is Theme of Senior Farewell; Lawrence, Gillespie Will Provide Music

"Underwater" will be the theme of the 1958 Senior Farewell to be held on Friday, May 2, from 9 p.m. to 1 a.m. in College Hall. Bob Smith, chairman of the Social Activities Committee (SAC) announced this week.

The bandstand will take the form of the hull of a ship and the other decoration throughout College Hall will follow the Underwater theme, including center pieces of flowers for the individual tables. The ceiling will be decorated in two shades of aqua-colored paper with fish hanging from the ceiling.

There will also be more fish on the walls of College Hall. At the entrance there will be a treasure chest which will be guarded by an octopus. The Queen's throne will take the shape of an open shell.

Music for dancing will be provided by both the Elliott Lawrence

and Matt Gillespie orchestras. These orchestras will alternate playing for the dances while the Elliott Lawrence orchestra will be the main feature for the night.

An outstanding event of the night will be the crowning of the 1958 Senior Farewell Queen. April 26 has been set as the deadline for submitting pictures of candidates. These pictures can be submitted to any member of this year and next years Social Activities Committee.

The decorations for the dance are in charge of Bob Smith. Members of this year's Social Activities Committee are Bob Smith chairman; Sandra Iobst, Brian Saderholm, Pat Conover, and Ray Martin.

Peter French and Marcia Morgan are the co-chairmen for the new Social Activities Committee. Fred DeFrank will be serving as the new vice chairman. Clerk for this year will be Dale Labar.

(Cont. on p. 5, col. 2)

Moravian College Honor Code

Approved by combined student-faculty committee

See Story on page 1, column 1.

The committee believes that the Honor Code should be defined as applying only to examinations and tests, and other such academic work as the instructor explicitly designates.

The committee believes that the Dean and two faculty members sitting on the Honor Court should not be merely advisory members, but full voting members.

The committee believes that the procedures for amending, suspending, and abrogating the Honor Code should be provided.

The committee believes that the verdict and the sentence of the Honor Court should be final, enforced by the executive power of the Administration but not reversible by faculty or Administration.

The committee believes that the papers which a student must sign at each registration should contain a declaration that he has read the Honor Code and will abide by it. A copy of the Honor Code will be included in the college catalogue for the benefit of prospective and incoming students.

This Honor Code is instituted by the students and faculty of Moravian College to preserve and cultivate personal integrity and responsibility. Its provisions and regulations apply to all examinations and tests and to such other work as the instructor explicitly designates. As a part of his registration every student signs a declaration that he has read the Honor Code with care and pledges himself to abide by it.

It is assumed that students will normally maintain honor in their academic work, avoiding questionable uses of other people's work and asking their instructors for advice when in doubt as to the proper procedure in obtaining help. This code is intended to delegate to a predominantly student court as large a share of the function of restraining such deliberate departures from honor as can practically be brought under the application of a code: namely, any attempts to give or obtain unauthorized assistance in examinations or tests, or in such other work as is placed under the code by the instructor's announcement.

The tribunal shall be called the Honor Court and shall consist of seven students and three faculty members as follows:

The President of USG [United Student Government].

The Chairman of Men's Dormitory Council.

The Chairman of WAC [Women's Activities Committee].

Four members to be elected by the student body, from among those who will be Juniors and Seniors, in the following manner: from a group of nominations, each bearing the signatures of at least 25 students and presented to the USG primaries, an Honor Court primary (to be held simultaneously with the USG primaries) shall select eight candidates to stand in the final election which shall be conducted at the same time as the USG General Elections. Of these eight the four receiving the largest number of votes shall become the regularly elected student members of the Court; the remaining four in the order of number of votes received shall serve as alternates.

The Dean of the College

Two faculty members appointed by the President of the college

Alternates other than those for the four elected students shall be as follows: for the President of USG and of Men's Dormitory Council, the respective Vice-Presidents; for the Chairman of WAC, the Vice-chairman; for the Dean of the College an alternate appointed by him; for the two other faculty members alternates appointed by the President of the College.

The members of the Honor Court shall serve for a term of one academic year. They shall agree in advance not to leave college until all cases before the court have been concluded, and not before noon of the second day after the end of final examinations in each semester. In case of illness or serious emergency requiring his absence, a member shall ask the president of the court to replace him temporarily by an alternate.

A President, who shall be a student, shall be elected by the Court at its first meeting and shall be responsible for calling all meetings and presiding at all sessions.

A case brought to the attention of the court in the following ways.

An offender may report himself to the examiner or to any member of the Honor Court, who shall promptly notify the President of the Court.

A student who observes or has evidence of dishonest conduct is in duty bound to ask the offender to report himself. If the offender fails or refuses to report himself, the observer is obligated to report what he has observed to the examiner or to a member of the court.

Upon receiving a regular report of an alleged violation of the Code the President of the Court shall proceed at once to arrange a sitting of the Court at the earliest possible moment for all concerned. When the Court has been formally convened by the President, it shall hear accusers, accused, and any witnesses. When the court has heard them sufficiently the president shall direct them to withdraw and the court shall proceed in secret to find a verdict and fix a penalty. For a verdict of guilty eight affirmative votes shall be required, and the failing this number of affirmative votes the verdict shall be not guilty. If the verdict is guilty the court shall proceed to assign the penalty for which eight affirmative votes are cast. The verdict and penalty shall be reported to the accused, recorded in the private files of the Honor Court, and may be published to the student body by a two-thirds vote of the court.

Of all proceedings of the court a permanent record shall be kept by a member elected by the court to be clerk, which record shall be kept securely and shall be available for the private study of the members of the court. Those who are authorized to have access to the records shall solemnly agree not to divulge at any time any proceedings of the court. A member of the court found guilty by the court of divulging the matter held in confidence by the court, or of violating the honor code, may be removed from the court by seven affirmative votes.

The penalties assigned by the court shall range from the minimum of a reprimand, through various degrees of severity including "O" for the work concerned and failure in the courage, to a maximum of suspension from college for not exceeding four months.

The verdict and sentence of the court shall be final, enforced by the executive authority of the college but not alterable by faculty or administration.

This code shall become effective when it has been passed by two-thirds majority of the student body and approved by two-thirds majority of the faculty. It may be amended by a two-thirds vote of the student body ratified by a majority vote of the faculty. It may be abrogated by two successive majority votes of student body or faculty not less than three months of term-time apart.

If this code is adopted by the student body it will necessitate a careful reconsideration of the status of the present Student-Faculty Discipline committee. The suggestion of the committee is that the president of the college merely omit appointing any members to the Discipline Committee.

CCA Parents Of 12-Yr.-Old German Child

by Shirley Leh

Just outside the small town of Bergzabern in the Pfalz Mountains between France and Germany in the Palatinate, there nestles a home building called the Emilienruhe Kinderheim. From this home one can look out over some of the most beautiful scenery in Western Germany with its wooded foothills, busy little brooks and rolling farm lands. Also, one can catch glimpses of ancient castles walls, symbols of this one feudal land.

But also, from this home, are cast the glances of not so picturesque and romantic figures, the one time frightened, undernourished, and "lost" children of post-war Germany.

Here it is that the Campus Christian Association's little adoptee, Heinz Weiss by name, lives and has his existence. This is more than a pleasant spot for Heinz; it is a haven and a chance for a new life. The CCA counts it a rare privilege to be a part of this new life, which gives him hope and the opportunity to prepare himself to become a good citizen in the oncoming generation.

Heinz is a child victim of poverty and moral breakdown, resulting from the war and its difficult aftermath years. As a baby, he had been banished about, and ill-cared for until he came to rest in the kindly hands of the Christian Children's International, Interdenominational Missionary Association. It is through this organization's North American Headquarters that the CCA came to adopt Heinz.

To do this, they are responsible for providing Heinz with \$120 a year to help feed, clothe and educate him. In return a friendship is established through letters. The CCA feels itself fortunate in that one member of our group will be able to visit Heinz this summer while he is spending some time in Europe.

Heinz is a twelve year old fifth grader whose favorite subject is reading, and whose favorite sport is ball games of all kinds. It is with great eagerness and excited expectation that we share with you our great fortune of being able to have a small part in the life of this willing, well-mannered and friendly little boy. It is of this once-hapless little life that we now proudly take on the responsibility of being his adopted parents.

Read With An Open Mind . . .

For a year and a half now, a proposed honor code has off and on been brought to the attention of the student body. It has gone through the United Student Government, the faculty, and various committees appointed by both, with the result of having been revised at least four times.

All these processes may look like just a series of actions to "pass the buck." However, the changes made by the various groups were made in the best interests of the students and faculty.

Time, effort, and plenty of thought have gone into the present honor code. The numerous revisions have resulted in a code which both students and faculty have agreed is reasonable, acceptable, and workable.

It is now up to the students to decide whether they want this code to become an amendment to their student body constitution. With this in mind, we hope that students will read carefully the revised code. We hope that they will view it fairly and objectively, not being biased by an opinion perhaps formerly held of an earlier form of it.

We would like to see students discuss it as an entirely new proposition and not think of it as something which has been "hashed over" so much, there is no use reading it again. We urge the students to give this code a chance to stand trial before open and unbiased minds; only then is it fair to say whether it is worthy or unworthy.

Ready For Exams? Use This Easy Study Method

(by Gene C. Salay)

So you just flunked a Sociology quiz and you're quite concerned, huh? You thought it would be a "Mickey Mouse" course at the beginning of the semester and it turns out that you don't know the first thing about which end is up? You say you studied (crammed) but it didn't do any good? You say you don't know how to study (but you're willing to learn)?

Allow me, my good friend, to straighten you out. The following is a tried and true method, which if earnestly applied will really fix your wagon. More ex-students will testify to this than to any other push-button toothpaste on the market.

Bloc

First of all you must have the mental (bloc) attitude. If you're married and have children, there's nothing like a good old fashioned family brawl to set you in the right mood. Tell your wife that her hair looks like a frizzy old mop (if you can think of anything better, by all means . . .). As for junior, (or sis) tell him (or her) to cop a quick sneak up to bed (without supper) and that Mickey Mouse has just given his last performance in your household as of yesterday.

If you're single and are fortunate enough to have a girl friend, unfortunate yourself by calling her on the phone and breaking that movie date. Tell her you're going to study . . . or somethin'.

Burp

The next step (once you've cleared the household, "or what have you") is to get comfortable. And about this time Wyatt Earp (the second heading shouldn't be burp at all, it should be Earp, Wyatt Earp) should be coming on T.V. You can't begin to study without a little relaxation. When you use this method of study you're not allowed to tax the brain . . . or I should say, tax the brain as little as possible . . . we're taxed enough as it is.

Broken

(The heading is supposed to read: Broken Arrow). After Burp, that is, Earp, you can't chicken out and hit the books just yet, Tom and his faithful Injun companion . . . Cochise come on next. Yep, Cochise.

On your mark . . .

We're about ready now to tackle the problem of homework. With Wyatt, et al. out of the way, we should be just about set, hup, two, three . . . Moe has the ball on his his own 30, the 40, he's up past the mid-field stripe, the 40, the 30, the 20 . . . all the way for a T.D. and not a hand was laid on him once "Scrape" lateralled the ball . . . Wait a minute . . . let's not get carried away with that sensational run we made against P.M.C. We're supposed to be studying.

My dear

It's getting pretty late and you still haven't opened a book . . . don't spoil the evening now, Ro-

land and his cohorts, My dear and Igor should be coming on shortly with another thrill packed horror flick. It won't take long to study anyway . . . don't be a square.

"Goodnight, whatever you are!" Bleary-eyed, a kink in your neck, and your heart throbbing a mile-a-minute you're awakened with a start to see Roland making a face at you while telling you to "go to bed." But don't do it . . . don't you dare, you have homework to do, homework to do, homework to do, homework, home, ho . . . zzzzz.

Trustees Discuss Dorm, S. Campus At Meeting Today

The semi-annual meeting of the Board of Trustees is currently in session in the Archive's Building on North Campus. The sessions presided over by Rev. F. P. Stocker, D. D., Chairman of the Board, began at 2 p.m. yesterday with a full board meeting, which included the presentation of Administration reports.

Last night the trustees and faculty members and their wives were guests at a dinner in the South Campus dining room. The group was addressed by Dr. Otis Shao, Assistant Professor of Government. Board members then divided into committee sessions.

Today's session will get underway at 9 a.m. and close at 12 noon. Business will concern acting on the various committee reports.

Items on the agenda before the board include the new men's dorm, next year's budget, the renovation of Main Hall, South Campus, and discussion of the proposed new student center, as well as several other things.

Choir Gives Two Concerts In Staten Island May 13, 14

The Moravian College Choir, under the direction of Mr. Richard Schantz, will give two concerts in Staten Island, New York, on May 13 and 14. Plans also include allowing the choir members to have a day in New York City at their own disposal.

The group will leave Bethlehem on Tuesday morning, May 13. Transportation will be provided by a Trans-Bridge Lines charter coach and private cars. Tuesday evening, at 6:30 p.m., the members will be the guests of the New Dorp Moravian Church at a dinner to be held in the Parish House. The first concert will be given in the Parish House at 8:15 p.m. Overnight accommodations will be provided for the choir members by congregation members living in the area.

Wednesday, May 14, the students will have free time to visit New York City. Tremont Terrace Moravian Church in the Bronx will be the site of the second concert to be given at 8:15 p.m. Wednesday evening. The group will return to Bethlehem late Wednesday evening.

The program at both concerts will consist of four major sections. The beginning section will include two Moravian chorales by John Antes, "The People That in Dark-

McConnell Hurt In Car Crash; Father Is Killed

The Rev. Frederick W. McConnell, Sr., 80-year-old father of Frederick W. McConnell, Jr., 36, Associate Professor of Philosophy at Moravian College, was fatally injured Tuesday, April 8, in a two-car collision on Route 413 in Buckingham Valley, five miles east of Doylestown, Pa.

The elder McConnell, a retired Methodist minister, died in Doylestown Hospital at 3:15 p.m., an hour and 15 minutes after the accident. He suffered a compound fracture of the skull, rib fractures, and a collapsed lung.

Rev. McConnell was a passenger in the front right-hand seat of a car driven by Professor McConnell of Woxall, a small farming community in upper Montgomery County. The car crashed head-on into one driven by Mrs. Lillian B. Lovett, 50, of Wrightstown, Bucks County.

State police at Doylestown said that Mrs. Lovett's car had just rounded a curve on the wrong side of the road and the McConnell car had made a left turn when the accident occurred on a short straightaway. The professor has been exonerated from any blame in the accident.

Professor McConnell had to be pried from the car; the steering wheel was broken off; and the car, a 1951 Ford, was completely demolished. Doctors at first feared a skull fracture or brain concussion, but McConnell's only apparent injuries were severe lacerations of the head and arm. Mrs. Lovett, with rib and knee injuries, was listed in satisfactory condition in Doylestown Hospital.

Funeral services for Rev. McConnell were held Friday, April 11, in the Bachman Funeral Home, Allentown.

Professor McConnell hopes to return to his classes sometime next week.

'Open House' Planned By Women's Dorm Saturday

The House Board of the Women's Dormitory has announced an open house to be held Saturday, April 19, from 2 to 4 p.m. Hostesses will be on hand to show guests through the dormitory and punch and cookies will be served in the George Washington Room. The public is welcome to inspect the dorms and enjoy the refreshments sometime during the afternoon.

Gail Harding, president of House Board, stated the following reasons for the Open House. "We believe there should be more coordination between faculty, administration and students. A tour of the dorms will help impress the needs of the dorm students on the college as a whole. Also, open houses are fun for the girls who live in the dorm, interesting for the outsiders, and perhaps a beginning for a worthwhile tradition."

Gail Harding and Norma Guritsky will serve as general chair-

women for the Open House. Ginny Dancy, Sylvia DiRocco, Chris Yamaoka, Judy Laning, Mary Lesin, Phyllis Lipman, Anita Ott, Polly Seyer, Nan Warren, Shirley Leh, Pat Ambler, Eleanor Bell, Chris Clark, Kathy Werst, Janet Heller, and Ruth Myers will act as hostesses throughout the afternoon, but all the girls will be allowed to conduct guests through the rooms.

The other committee chairmen are as follows; Telephone, Marcia Morgan; Publicity, Sue Astbury; Set up, Ann Miller; Food, Ann Corbett; Clean-up, Ruth Welch. Co-Chairwomen for the hostess committee are Jane Ziegenfus and Karen Roggenkamp.

Dorm Registration Dates For Men Announced By Myers

Dormitory registration for men students for next semester will begin on May 1, it has been announced by Richard E. Myers, Dean of Men. The same procedure used last year shall be followed.

Students desiring to continue occupancy of the rooms in which they now live will register on May 1 between 1 and 5 p.m. Students who will be seniors next semester will register on May 5 between 1 and 5 p.m. Students who will be juniors next semester will register on May 7 between 1 and 5 p.m. Rooms still vacant will go to those men students who will be sophomores next semester. A drawing for these rooms will be held on May 7 at 5 p.m. Students drawing rooms will register for these rooms on May 8 from 9 a.m. until noon.

To register, the \$25 deposit must be paid to the comptroller and the receipt presented to Dean Myers.

A partial list of approved rooms off the campus will be available in Dean Myers' office for students who cannot be accommodated on campus at this time. This list will be revised from time to time until the opening of college in September.

All arrangements for rooms off campus must be made directly with the landlord involved. Should a student find a room not on the list, he shall check it with Dean Myers, who will, if it meets the standards, approve it accordingly.

It should be understood that all room assignments made in May are subject to adjustment later, should there be any change in the dormitory policy. Should changes be made, students will be notified immediately.

Rau Members Attend Confab At Wilkes-Barre

Five faculty members and two students representing the Rho Alpha Upsilon science society are attending the twelfth annual Eastern Colleges Science Conference to be held at Wilkes College, Wilkes-Barre, April 17, 18, and 19.

Planning to attend are Dr. Stewart Kulp, Mr. Stewart Rauch, Miss Katina Kapsalis, Mr. Harry Williams, Dr. Albert E. H. Gaumer, Asidore Mihalakis, and Robert Smerko.

Registration will be held Thursday evening, April 17, and Friday and Saturday mornings, April 18 and 19. The opening session will be held at 9:15 a.m. that Friday morning, with welcoming remarks from Barry Miller, Executive Chairman of the conference, and Dr. Eugene S. Farley, president of Wilkes College. The key speaker will be Dr. Glenn W. Giddings, Manager of the Research Personnel of General Electric. His topic will be "The American Scientist As a Citizen."

At 10:30 a.m. concurrent lectures will be given on conservation, chemistry, and psychology by Dr. Gustav A. Swanson, Head of the Department of Conservation, Cornell University; Dr. Charles G. Price, Head of the Department of Chemistry, University of Pennsylvania; and Dr. William C. Prentice, Dean of Swarthmore College.

Following luncheon, industrial tours will be conducted from 1:30 to 5:30 p.m. At a banquet at 6:30 p.m., Dr. George R. Seidel, Technical Advisor to the Public Relations Department of the Dupont Company, will give the principal address of the conference, on the subject "Research and You." Saturday's program will include the presentation of student papers, a faculty tea, business session, and a conference dance.

THANKS A LOT!!

Moravian tennis captain Dick Roth, right, congratulates LaSalle's Dave Lugo and teammate Don Nagy tripped Roth and Bob Lipkin, 6-2, 6-2. It was the only doubles match the Greyhounds dropped as they won their opener, 6-3, on their home court last Monday.

Greyhound Netmen Take Opener Against LaSalle

Moravian College successfully opened its 1958 tennis season at home on Monday by playing host to and defeating LaSalle College. The Hound net men led by senior captain Dick Roth beat their Philadelphia rivals in four singles matches and two doubles matches to run up a final score of 6-3.

In the singles Dick Roth, the only senior on the team, defeated La Salle's number one man Dave Lugo 6-2 and 6-3. Freshman Bob Lipkin (M) lost to Don Noga 6-1 and 6-2. Dan Simon (M) beat Joe Giuffre 6-3 and 6-1, Les Lazarowitz (M) beat Tom McLenigan 6-1 and 6-1, Bill Kauffman (L) defeated George Parrish 6-1 and 7-5. Hal Cole (M) beat Jerry Walsh 6-4 and 6-0.

In the doubles matches Roth

and Lipkin bowed to Lugo and Noga 6-2 and 6-2. Simon, Lazarowitz beat Giuffre and McLenigan 6-0 and 6-4 and Parish and Cole topped Kauffman and Komin 6-0 and 6-4.

Monday's victory was the sixth in a row over LaSalle. Moravian takes to the road for its next three matches against Haverford, Albright, and F.&M. before returning to the home courts on Saturday, April 26 against Wilkes College.

Greyhound Gossip

By Dick Steiner

Despite our opening day loss to Lafayette, the Greyhounds show promise of a good season ahead. A couple of costly errors in the seventh spelled the difference between the two clubs. Dick Chergey pitched an excellent game, and only those miscues in that nightmarish seventh spoiled his efforts. Freshman Mike Lansenderfer showed he intends to become a leading hurler also, holding the Leopards hitless in the last two innings.

Important in an evaluation of the game is the fact that we outhit Lafayette 11-8, with five of our starters collecting 2 hits apiece. Two freshman infielders, Gilbert and Muth, were among these five. Lafayette has been our toughest opponent year in and year out, if we can outhit the rest of them and polish up the defense, there should be lots of wins ahead.

The Hounds' Tennis team made their debut a winning one, downing LaSalle 6-3. This is the first time in over five years we've won our net opener, but it's also the first time we didn't play Haverford to start the season. Dick Roth and Dan Simon, the only two lettermen on the squad, registered easy wins. Newcomers Hal Cole and Les Lazarowitz also turned in triumphs.

The golf team is out on the links again, playing their home matches at the Bethlehem Municipal Course. Missed will be number one man Bobby Potter, probably the finest golfer ever to play for Moravian.

On a recent TV show, Phil Rizzuto, ex-Yankee great predicted the Phillies would be in the thick of the pennant race this year. He based this forecast on their fine showing in Spring training against the Yanks. If some of their cookies come through and Roberts and Simmons do O. K., he could be right.

See ya next week.

Diamondmen Outhit Lafayette In 7-2 Opening Game Loss

By Neil Eskolin

The Moravian Greyhounds in their opening game of the '58 season lost to the Leopards of Lafayette 7-2 on the opponents home field on Monday afternoon. Although the Leopards outscored the Hounds, the Bethlehem collegians collected 11 base hits compared to seven safties for the winners. The Hounds committed six errors and this spelled their downfall as the Leopards played errorless ball in piling up their sixth win against two losses.

Moravian started off the scoring in the first inning on a line drive double by Captain Dick Schwartz and a single by freshman third baseman Charlie Gilbert.

After a double by Lafayette short stop Tom Morgan, Hound second sacker, Bob Muth, let a grounder by Bob Kessler go through him into left allowing Morgan to score from second. The Leopards tallied again in their half of the second on a solid shot over the right center field wall by catcher Ted Sloan.

The two teams were held scoreless until the bottom of the sixth when the Easton nine pushed across another run to lead 3-1. The top of the seventh saw the Hounds' second baseman Muth triple to left. With two out, Schwartz scored him on an infield single to bring the Hounds within one run again.

At this point the Hounds broke down defensively and let the Leopards walk off with four insurance runs and the ball game. Sophomore hurler Dick Chergey, after pitching commendable ball for six innings also faltered behind his weak support and added two wild pitches and a balk before he retired in favor of freshmen Southpaw Mike Lansenderfer. The rookie pitcher put out the fire and completed the game without yielding a base knock.

Moravian jammed the gases in the ninth against the Leopards' ace reliever Ray Smith before he struck out Gilbert and Hollender-sky to kill the threat and end the game.

The hitting star of the game was Lafayette's Ted Sloan, who collected two more hits in addition to his homer in the second. Moravian looked good at the plate as five regulars, including freshmen infielders Gilbert and Muth, collected two hits apiece. Vince Gebhard picked up his second win of the year for the Leopards; he has lost one. Chergey was charged with the defeat for Moravian.

Redlighters Trample Over Tekes In I-M Opening Game 23-4

The 1958 intra-mural softball schedule got underway on Monday afternoon as the Redlighters took on the TKE's on the intra-mural athletic field. In a wild free hitting game the Redlighters walloped the TKE's 24-3. Joe Fliszar was on the hill for the victorious Redlighters and Paul Meilinger was the opposing moundsman for the TKE's. The game was highlighted by a second inning home run by Jack Freiler with one man on for the Redlighters.

The schedule for next week will see Pi Mu playing the Redlighters on Monday, the Sons of Italy against the OGO'S on Tuesday, the TKE's against the Comenians on Wednesday, and the Comets against the Sons of Italy on Thursday.

The following intra-mural programs are being planned: Singles in handball and badminton and singles and doubles in table tennis. Persons interested should report to the athletic office on or before April 25th.

Greyhound Athletes To Face Six Opponents In Next Week

Moravian will travel to Wilkes-Barre to tangle with the Wilkes diamond men tomorrow afternoon. In last years encounter, the Hounds trounced the Colonels 13-4 as they allowed only five base hits.

On Wednesday the Hounds will play their first home game of the '58 campaign. They will entertain Swarthmore College and attempt to do as well as they did last year when they swamped their Pennsylvania cousins 14-4 in a game in which Moravian rapped out 16 safties.

On the tennis scene the Hounds will take on their traditional foes, Haverford, on the opponents home court tomorrow. Moravian will be the underdog as in the past years, but they promise to put up a good fight.

The Hounds will remain on the road as they play Albright on Wednesday. Last year the Lions beat Moravian 6-3 in a very hard fought match.

The following day will find the Hound netmen in Lancaster tan-

gling with the Diplomats of F.&M. Last year the mighty Diplomats drubbed Moravian 6-1 on the Hounds home courts.

Besides Dick Roth who is captain of the '58 squad, others who will represent Moravian on the courts are Junior Dan Simon, the only other letterman on the team, Les Lazarowitz, Hal Cole, and freshman Bob Lipkin and George Parish.

The Greyhound golfers will take to the links at the Bethlehem Municipal Course on Tuesday as they entertain the Flying Dutchmen of Hofstra in their second match of the season. Hofstra was the only team to spoil Moravian's bid for a perfect season last year as they beat the Hounds 13½ to 4½.

Ivy League

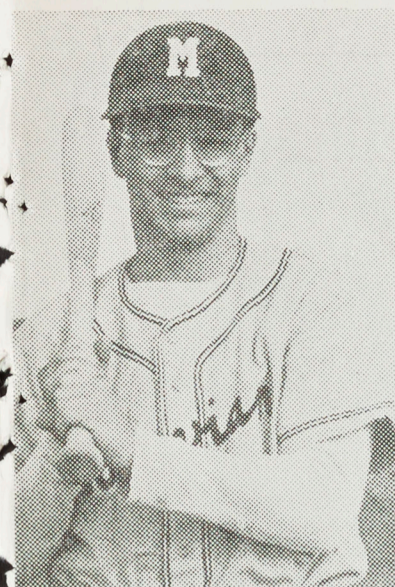

Is it ever Ivy! Why, Coke is the most correct beverage you can possibly order on campus. Just look around you. What are the college social leaders going for? Coca-Cola! So take a leaf out of their Ivy League book and do the same! Enjoy the good taste of Coke!

SPRING SPOTLIGHT

Tony Matz, Outfielder

The Spring Spotlight this week is focused on Tony Matz, a Junior from Reading, Pa. Sonny, as he is referred to by his friends, is 5ft. 8 in., and weighs 170 lbs. Attending Reading High School, Tony played football and baseball in which he earned three letters. On the baseball team Tony pitched and played the outfield.

Coming to Moravian, Tony was quarter-back for the Greyhound gridgers. With the coming of Spring his mind drifts to thoughts of baseball. He starts in the outfield for the Greyhound nine.

In his freshman year, Tony had a .302 batting average and led the team in runs batted in with 14. Last season he upped his average to .356.

His greatest experience comes from playing quarter-back for Mo-Mo. Besides excelling in sports, Tony hits the books for a 2.9 academic average. Majoring in Math, this hustler plans to be a teacher.

Much of Tony's time is devoted to Jazz music and sports. At the present time he is USG representative for the junior class. He is also a member of the Omicron Gamma Omega fraternity and Varsity "M" club.

When asked what he thought of this year's team, he replied, "The success of the team will depend largely on the freshmen rookies."

Third Polio Shot Rescheduled For Early Next Fall

The third injection in the series of Salk vaccine inoculations will be given early in the fall instead of this spring, it was announced by Harvey T. D. Gillespie, this week. Due to the postponement of the second shot, the period between it and the last possible date for the third, if given during this school term, is shorter than that advocated by the doctors.

Seniors or other persons who are not attending Moravian in the fall may return for the injection at the scheduled time. The student health committee regrets that the series cannot be completed during this school year and urges that all persons who received the two injections make every effort to get the third either at Moravian or from their own physician.

The Salk Vaccine Program was planned originally to include a series of three injections during the school year. Because of the flu epidemic on campus, the first injection was postponed for several weeks.

Golfers Lose Close One In Muhlenberg Opener

The Greyhound golfers played host to the Muhlenberg linx-men men on the Bethlehem Municipal Course on Tuesday afternoon and dropped a squeaker of a match to their Allentown cousins 9½-8½. It was the first match of the campaign for Moravian who salvaged three individual matches. The victory was the second in a row for the mules.

Tom Volko of Moravian defeated Ron Choquette 3-0. Joe Collins of Moravian did likewise to Ira Seidman. In the other victory, Fritz Toner defeated Dave Senger 2½-1.

In other matches, Jack Pfeiffer (Muhlenberg) defeated Ducky Potter 3-0, Sid Uamburg (Muhlenberg) beat Ken Skrable 3-0. Russ Bleiler (Muhlenberg) topped Bob Volko 3-0.

Final Audubon Tour Scheduled For Tomorrow

The final of nine programs in the 1957-58 Audubon Screen Tour series sponsored by the Moravian College Conservation Association will be the presentation Saturday at 8 p.m. in Moravian College Hall of Fran William Hall's "Hawaii, U.S.A."

Fran William Hall, Northfield, Minnesota, a popular Audubon lecturer who has made many previous friends in Bethlehem, has combined, since 1935, his life-long history with the pursuit of photography as both an art and a science. His lecture tours, under the auspices of the National Audubon Society, have taken him to every state of the Union and many of the Canadian provinces.

USG Meeting . . .

(Cont. from p. 1, col 5)

must hand in its code or constitution, and a statement of purpose, together with credentials certifying that its representative has been duly elected to his position. Rupp said the deadline for this action is Tuesday, April 29.

Hal Cole has resigned his position on the Elections Committee in order to run for a class office. It was proposed and passed by the USG that sophomore Bob Riererson replace him.

A motion allocating \$95 to the PAC for sending delegates to the Harrisburg ICG convention was defeated.

Treasurer Ted Lekorenos reported that the total cost of the duplicating machine was \$189.50 and that the USG now has a balance in the treasury of \$411.15.

Senior Farewell . . .

(Cont. from p. 1, col.3)

Other members of the committee are Robert Gray, Harriet Peters, and Joan Albrecht.

Members of Omicron Gamma Omega Fraternity will be guests of their alumni at the Locust Valley Country Club in Coopersburg. New officers will be installed at the dinner. Plans are not yet definite for the speaker, Charlie Messina and his orchestra will play for dancing from 9 to 1.

Included in the weekend will be the dinner-dances held by the four campus fraternities on Saturday evening, May 3.

Pi Mu is planning on making this also a very big occasion. They will be having a big dinner out at Shankweiler's Hotel, Orefield Pa. Rev. Arthur Freeman, a Pi Mu alumnus from Yardley, Pa., will be the guest speaker for this occasion. After the dinner dancing and other recreation will take place.

The Sigma Phi Omega Fraternity is also planning a dinner dance for the weekend. They will be holding theirs at Vacation Valley in the Pocono Mountains. This will be an all day affair in which they will have a tentative golf tournament among the brothers, as well as a floor show. There will also be an installation of new officers.

Members of Tau Kappa Epsilon Fraternity will be guests of Teke alumni at Harker's Hollow Country Club in Phillipsburg, N. J. Atty. Floyd Heller will be the principle speaker for the occasion. Traditional awards to outstanding pledges and brothers will be made, and the new president will receive the gavel of the presidency. Dancing will be held from 9 p.m. to 1 a.m.

Also included in this weekend will be a golf match among the members of the Alumni. The Greyhound baseball team will challenge Muhlenberg at home. There will also be a tennis match between the Greyhounds and Albright here at home.

The junior class will sponsor a picnic on Sunday, May 4. Details of the picnic, which will be open to the entire student body, will be announced at a later date.

Tyler Announces Tuition Drop For '58 Summer School

Professor George Tyler, director of summer school, announced that the administration has reduced the rate of tuition from twenty-seven dollars (\$27) to twenty-five dollars (\$25) per credit hour and that Political Science 203 has been added to the list of courses offered.

Publicity concerning the summer sessions is posted and can be consulted on the bulletin boards of either campus. If folders are desired, they may be secured from the registrar or Miss Pennington.

Tyler stated that since the college is compelled to make arrangements for a summer school faculty, it is of utmost importance that students indicate early which courses they definitely intend to take. Also, any additional information may be obtained from Mr. Tyler.

Sophomore Tests Given; First Year Used At Moravian

The National College Sophomore Tests and a Sophomore English Proficiency Test were given to all Moravian College sophomores on Tuesday and Thursday of this week. This is the first year that tests of this type have been used at Moravian.

The National Tests are one group of Sequential Tests of Educational Progress which are given all over the United States. They were taken in the morning and afternoon on Tuesday and consist of a series of five tests in reading, writing, social studies, science, and mathematics. Results of the tests will show how much progress the students have made during their two college years, where they stand in relation to sophomores at other colleges in the United States, and in which areas the individual students need special help.

The English Test was given during the fourth period on Thursday by the English Department. Those students who fail the test will be required to take English 102 again for no credit.

Vets Elect Jardot President For '58; Hudson New V-P

The Moravian College Veteran's Association recently elected Joe Jardot president at the annual election of officers. Jardot, a sophomore mathematics major from Bethlehem, succeeds Robert Kellow as president.

George Hudson, the newly elected vice-president, succeeds Joe Jardot. Hudson is a junior economic and business administration major from Bethlehem.

Elected secretary was James Martin of Bethlehem, a sophomore majoring in Engineering. Martin this year is replacing Korpics, who last year held the same office.

Elected to the position of treasurer was Kenneth Nicholas of Emmaus, Pa. a sophomore economics and business administration major. Nicholas position was formerly held by Steve Kalamar.

David Stehley of Bethlehem, a junior chemistry major, and Douglas Lindaman of Bethlehem, a freshman history major, were elected to the U.S.G., replacing Mendlesohn and Figlear. Howard Yuetter of Bethlehem, a sophomore sociology major, replaces Pappajohn as the alumni secretary.
