

## Moravian College To Graduate 137 Seniors, June 8

### Four Receive Honorary Degrees In Exercises

According to figures as late as Tuesday afternoon, Moravian College will graduate 137 seniors in the commencement exercises to be held Sunday, June 8. Four honorary degrees will also be granted in the ceremony, which will begin at 3 p.m. in College Hall.

Dr. Buell G. Gallagher, president of City College of New York, will give the commencement address, and Dr. Walser H. Allen, pastor of the Central Moravian Church, will give the baccalaureate sermon at 11 a.m. that morning in the same church.

Those to receive honorary degrees are Dr. Gallagher; Rev. Herbert Spaugh, Charlotte, North Carolina; Robert Elmore, organist and choirmaster of Central Moravian Church; and Rear Admiral Ernest Eller, Washington, D.C.

By this past Tuesday afternoon, the following were the probable number of degrees to be granted in each field: 57 Bachelor of Arts degrees; 25 Bachelor of Science; 14 Bachelor of Science in Elementary Education; 37 Bachelor of Science in Economics and

Business Administration. Also, there will be probably be four degrees granted to students who will complete their final year of co-operative program at another school. Of these, two will receive Bachelor of Science degrees in the co-operative engineering program, and two will receive Bachelor of Science degrees in the co-operative forestry program.

Dr. Gallagher will be the recipient of the Doctor of Humanities degree. He is the seventh president of City College and has been a leading figure in national higher education programs since beginning his academic career. Author as well as administrator, Dr. Gallagher has received honorary degrees from Oberlin, Doane, and Wagner Colleges, and Lincoln, Brandies, and Columbia Universities.

The Doctor of Laws degree will be awarded to Rev. Spaugh, a member of the Provincial Elders Conference of the Southern Province and pastor of the Little Church on the Lane, Charlotte, North Carolina since 1924. Author of three volumes, "The Pathway to Contentment," "Everyday Counsel for Everyday Living," and "Pathway to a Happy Marriage," and a daily newspaper column, "The Everyday Counselor," Rev. Spaugh has also been on the editorial staff of *The Charlotte News* since 1933.

### Baker, Vezzoli Named As Editors Of Publication

The Board of Publications this week elected Nancy Baker editor of *The Benigna* for 1959 and re-elected Mary Vezzoli editor of *The Manuscript*. It also elected Rita Roseman and Ernest Pappajohn to the positions of associate editor and business manager of the yearbook, respectively.

The Board, composed of representatives from each campus publication, the administration, the faculty, and the United Student Government, elected Neil Boyer as its chairman for 1958-59. Fred DeFrank was named vice-chairman; Miss Baker, clerk; and Miss Vezzoli was chosen USG representative at the meeting held Thursday, May 15.

Miss Baker will succeed Sandra Iobst as editor of the yearbook. A sophomore English major from Benton, Pa., she was associate editor of the publication this year. She is a member of Triangle honor society, Phi Mu Epsilon sorority, and has been a member of the band. A member of Blackfriars, she had the lead role in the group's fall production of "Antigone." She is a new member of Pi Delta Epsilon journalism fraternity.

Miss Vezzoli, also recently initiated into Pi Delta Epsilon, was just elected its secretary-treasurer for next year. A junior English major from Bethlehem, she is a member of Phi Mu Epsilon and Kappa Delta Epsilon professional education sorority. Next year will be her second year as editor of *The Manuscript*.

Miss Roseman, a freshman majoring in French and secondary education, is from Hellertown. On both the *Comenian* and *Benigna* staffs this year, she is also a member of Phi Mu Epsilon.

Pappajohn, a sophomore economics and business administration major from Bethlehem, is treasurer of Tau Kappa Epsilon. He is also a member of the Veterans' Association, for which he was alumni secretary this past year.

Boyer, co-editor of *The Comenian*, is a junior economics and bus- (Cont. on p. 6, col. 1)

### Cost Causes Reconsideration Of South Campus Changes

A special meeting of the Board of Trustees will be held for the purpose of determining the extent of summer renovations in South Campus Women's dormitories. Because of the high cost of intended changes in Main Hall, the board will have to reconsider their plans and decide on one of three alternatives.

The possibilities include the following: (1) To spend \$220,000 to completely renovate Main Hall and make it a unit separate from Colonial Hall, to which it is now connected. (2) To spend \$75,000-\$90,000 to redecorate and re-equip bath facilities, eliminating any plans to make Main Hall a separate unit. (3) To spend \$15,000 to redecorate and replace furnishings in Main Hall.

The original plans, which were made last summer, called for the conversion of Main Hall into an independent unit which would house fifty girls and would remove all non-dorm functions to other areas. The decision was made on the basis that it would be better to wait until this summer and spend \$75,000 for a major dormitory repair job rather than to spend \$15,000 merely to redecorate.

However, when the detailed plans drawn by the architect during this past winter were submitted to a contractor, the cost was estimated at \$211,000. This figure appeared to be much larger than the college could afford to spend, and another attempt was made to reconsider the program. The second plan called for spending \$75,000-\$90,000 for immediate improvements, as well as contributing to the long-awaited goal of the separation of Main Hall and Colonial Hall.

The third alternative would call for no major renovations with regard to any separation of the buildings.

Since no decision has been made as yet, women dormitory students have registered for rooms as they are now.

### I-D Cards, Lounge Facilities To Be Presented By USG

The United Student Government, at its final meeting of the school year on Tuesday night, passed resolutions to make recommendations to the administration concerning new identification cards and tables and chairs for the Emcee lounge. It was announced that the USG annual fund drive fell \$131.35 short of its goal of \$250.

The identification cards proposed in the recommendation would be similar to those used by other colleges, i.e., containing a picture of the card's owner. During discussion it was pointed out that the cards could be used for student elections, and they would save the college money on sporting events at which many students give their cards away to friends.

The other recommendation was to include tables and chairs in the North Campus Emcee lounge for the benefit of the day students. It was pointed out that the lounge is provided as a place in which the day students may eat their lunches, and that proper facilities should be provided for that purpose.

Jerry Heintz was appointed a committee of one to make a survey of various colleges to find out charges made by those colleges concerning late registration fees and course change fees. A motion was passed stating that this information be presented to the USG which in turn would present it to the administration. It was the belief of those present that other colleges make changes considerably less than those advocated recently by Moravian's administration.

Paul Meilinger, chairman of the fund drive committee, announced that a total of \$118.65 had been collected for the William Hauptert Memorial Scholarship Fund. The goal had been \$250. Meilinger (Cont. on p. 9, col. 3)

### No Re-opening Planned For Emcee Lounge

The Emcee lounge on North Campus will not be opened again this semester, Dean Marlyn A. Rader said this week. The lounge was closed a week ago Thursday because of "wanton destruction of property" on Wednesday evening.

Rader said that plans have been made to make the conditions in the lounge better. A forthcoming USG recommendation to include tables and chairs in the lounge for day students would be considered, he said.

On Wednesday evening legs were ripped off the tables in the lounge, and the waste cans and their contents were strewn about the room, Rader reported.

There is no reason for the carelessness and deliberate littering of the lounge, the dean said. It has been necessary to clean the lounge up to four or five times a day.

The dean refused to put the blame for Wednesday night's action on anyone. He stated that often at 11 p.m. he has seen just as many day students as dorm students in the lounge, and it would be unfair to affix the blame to any one group.

## 'Much Ado About ...'

Well, its the time again—to try to pound out some inspired gems of nonsense. My dear colleague 'under the table' has already left the pages of the COMEDIAN (oops—echoes of Wednesday) the COMENIAN rather, for a summer free of rambling about the campus and duly noting her findings within these hallowed pages, and I shall do likewise as soon as this last confounded deadline is satisfactorily met (that's a matter of opinion!)

The rather dull (only temporarily, of course) but happy gang wandering around our student Elysium(?) last week were the members of the college choir in various stages of recovery from their two day trip to New York. It was quite a successful fling which included such various things (what else from such a varied group?) as going to a ball game at Yankee Stadium, attending a matinee of "Romanoff and Juliet," eating at some of the city's more illustrious eateries and, of course, just touring. Lest you be mistaken, this was all extra stuff—the main purpose being to give two concerts, which went quite well, all things considered.

The South Campus coeds seem to have been the first ones to really get into the spirit of the season with a very spirited "demonstration" on Monday night. Exactly what was being demonstrated and who all the demonstrators were is still a rather foggy matter. (Certain people would like to know very much!) At any rate—our congratulations to the young ladies for their fine end-of-classes and beginning-of-exams display of feeling. Congratulations are also in order for Miss Butner as the member of the opposing forces (faculty) who finally braved the damp situation and asserted her authority over the disorganized group (to bring the whole thing to an end, that is!)

Ah, you lucky people—your dull drab week was highlighted on Wednesday by the appearance of our much beloved, but rather late, COMEDIAN. Perhaps the comment appearing in the humor magazine of an eastern university best explains the whole thing—"Here is the history of human ignorance, error, superstition, folly, war and waste. Recorded by human intelligence (that's you) still to come." It applied here too! It is entirely coincidental that the COMEDIAN appeared so late in the year and that all concerned with its preparation were seen packing their bags Tuesday night.

The summer looks like a nice relief from this for most of us—especially if you just happen to have a summer job. We'll all return next September to face many inquiries about our summer employment. It's good to remember (Cont. on p. 3, col. 5)

## Was It Really A Success?

The Fund Drive Committee of the USG reported Tuesday night a total of \$118.65, which was \$131 short of the \$250 goal. Eighty dollars from the USG treasury was added to the amount to help make up the difference. Later, two other contributions of \$65 brought the total to \$263.65, over the goal.

The Fund Drive **did** succeed—but only because of the USG contribution and the large contributions of the few fraternities and sororities. The individual contributions amounted to barely nothing—\$18.65! It should not be necessary to dip into the USG funds for a drive which it itself is sponsoring, yet it had to be done so the amount wouldn't be too much under the goal.

The \$250 goal should not have been too high for the number of students in this college. Then why was the response, especially the individual response, so poor?

There may be several answers to this question. First, the choice of the William Haupt Scholarship Fund as the benefactor was possibly a very poor one, not in itself, but in the fact that so many organizations had already contributed to the same cause previously this year. It does seem illogical and senseless to ask groups to contribute again to something to which they have already given.

Secondly, to appeal to both the organizations and individual students is asking them to contribute more than once, since they are one and the same in the long run. If it is to be a drive for individual contributions, let it be just that, or vice versa.

Thirdly, it is also very possible that the time of year this fund drive is held is a strike against its success. To expect students to contribute out of their own pockets at a time when they are probably drained to the limit after having paid the expenses of the big weekends, last minute dues, and other numerous expenses, is to expect too much. No matter how much a student **wishes** to contribute, if he doesn't have it that week, he doesn't give it.

Finally, we come back to the same old question of student apathy. They don't take the time to read the paper or the bulletin boards to find out that there is a fund drive going on. They don't really care about it unless someone gets out there and gives them a push. And this, we think, is exactly what happened this year. No one did get out to push.

We don't advocate standing in the lobby of Comenius Hall demanding a certain amount of money. No one can tell a person how much to contribute or to contribute at all. However, it would seem to be much more effective to organize the drive, to have people get behind it and push it. By this we mean that perhaps, as last year, there could be a central table at which contributions would be taken, with students running it who would **ask** not **tell** people to contribute. A goal should be set, and it should be publicized just how much each student could give to reach the goal. The student wouldn't necessarily **have** to give that amount, but for some reason, when a standard is set for a request, the response is always better. Cannisters may be all right, but people are much more likely to pass them by and put it off than if they are approached for a contribution.

Or if the drive is to be through campus organizations, letters should be sent out to all of them, appealing for contributions.

With these things in mind, we would like to make several suggestions for fund drives in the future: (1) It should be carefully considered whether or not the benefactor will attract and bring response from the student body, and the goal should be set accordingly; (2) It should be a drive for **either** organizational contribution or individual contributions; (3) It would be wise to conduct the drive when the students can **afford** to give what they would like; (4) The drive must be organized!

## Are You Tired Of Bop? Just Make A Stop At 'Shangrila'

by Dick Tewell

Today in the era of rock-and-roll, there are still a few radio programs that do not play this highly emotional style of music. While taking a late break last week, in frustration I turned my radio on and came across a program on WEEZ in Easton called "Shangrila," hosted by Don Ross.

### Architecture And Russian Courses In New Catalogue

The Moravian College catalogue for 1958-1959 will include the additions of a course in elementary Russian, two courses in architecture, and two courses in English. The requirements for general study students will also be changed.

The catalogue will be available for distribution sometime after September 1. The later issuance date will allow the college to exhaust its supply of the present catalogues now available to students.

The new elementary Russian course will cover a two-semester period.

The change in the general study requirements will be fully explained in the catalogue when it is released. The two architecture courses will be the first offered at Moravian College.

The catalogue will have the same basic format and completeness of information as it has in preceding years.

### Dean Myers Made Honorary Member By Society Board

Dean Richmond Myers was elected by the Board of Directors to Honorary Membership in the Mineralogical Society of Pennsylvania.

This class of membership is reserved for those who made noteworthy contributions to the knowledge of earth science.

The Board of Directors felt that Dean Myers' achievements in the field of geology, education, and earth science literature qualified him for membership. His name is now inscribed on their roster.

This is a program of relaxing music, or good music, usually slow melodies, quiet and dreamy. By mood music I don't mean anything like or near Beethoven's "Moonlight Sonata." It is a type of music to which you can just sit back and relax—and probably fall asleep—while listening. It is quite different than most music in that it is music, sayeth the poet, "to soothe the savage breast."

The music heard is mostly instrumental, but evenly dispersed with enough vocals to make the program one of the better disc-jockey shows in the Lehigh Valley. You'll hear instrumentals by David Rose, Les Baxter, Lou Busch (Joe "Fingers" Carr), Jose Melos of the Jack Paar television show, and Jackie Gleason, and vocals by Frank Sinatra, Vic Damone, Perry Como, and Peggy Lee.

Ross handles the show with great ease. He tries to give the impression that "shangrila" is a sort of utopia of music, a mysterious far distant place with an atmosphere of peace and contentment that draws you to it with a force you can't seem to fight off. The title itself is probably a great drawing power for the program. Suppose you were listening to the radio, and the next thing you heard was "Welcome to Shangrila." Would you perhaps wait and find exactly what a "shangrila" is?

If you are an escapist, and many of us are, or if you just like smooth music at just the right moment, and many of us do, throw away your tranquilizers and take a little "shangrila." It's probably just what the doctor ordered.

# Daneen Jones Crowned Miss Moravian At Fete

The crowning of senior Daneen Jones as Miss Moravian for 1958 was the highlight of this year's Spring Festival, held last Saturday afternoon on South Campus. Miss Jones was attended by Jane Adams, Carol Burwell, Gail Harding, Kay McMurray, Dawn Dangler, and Lois McDonald, all elected to the court by the women students. The crowning was done by last year's Miss Moravian, Karen Johnson.

The Spring Festival program began with a processional from the upper lawn to the platform which was set up on the hockey field. The procession was led by two pages, Joan Albrecht and Susie Petrecca, dressed in medieval costumes. They were followed by the court jesters, Anita Ott, and Jane Merchant, who were in clown costumes.

### Honor Court

An old Spring Festival was revived this year by the addition of the Honor Court. It consists of the two girls with the highest averages in the freshman, sophomore, and junior classes. The members of the court were Nancy Baker, Ginny Dancy, Cynthia Geiman, Margie Koch, Carla Nowack, and Mary Vezzoli. They wore pastel gowns and carried palm branches.

### Daisy Chain

The Daisy Chain, borne by freshman girls wearing pastel gowns, was next in the procession. Daises in the chain were made by the freshman class.

The Royal Court, preceded by Miss Johnson, was the final part of the procession.

### Program

After the coronation, Miss Moravian was entertained by a program of songs and folk dances. The program included "Now is the Month of Maying" by Thomas Morley, and "Cornish May Song," a folk tune from Cornwall by Charles F. Manney. The numbers were sung by a choral group of eight. Two folk dances were then performed—"Colber," a Bavarian folk dance, and a German folk dance created by Miss Helga Nehrkorn. Miss Nehrkorn accompanied both. "The Alphabet," a musical joke by Mozart, was also presented by the choral group, which included Barbara Banker, Gloria Szarka, Pat Conover, Pat Lucas, Dolores Lang, Beverly Luzietti, and Phyllis Zwarych.

The folk dances were Jay Angeline, Betsy Blum, Ruth Lomerson, Linda McHenry, Sophie Nicholas, and Rita Roseman.

Following the recessional, the Blossom Tea was held in the upper lawn. Punch and cookies were served.

Miss Moravian and her court were chosen by a vote of the women student body. The court is comprised of two senior secretarial students and five seniors, one of whom is Miss Moravian.

### Committees

Committees for Spring Festival were as follows: Mary Lesin, chairman; Miss Emily Butner and Miss Nehrkorn, choreography; Kathy Werst, elections; Ann Corbett and Ginny Dancy, flowers; Richard Schantz, Miss Nehrkorn, and Pat Conover, music; Miss Butner, Nancy Baker, Pat Conover, and Betsy Blum, program; Ann Corbett, Ginny Dancy, Jane McMurray, Carolyn Felver, and Joanne Mazur, publicity; Dean Halcyon Sartwell, cape; Barbara Kinsey and Colleen Workman, usherettes; and Sophie Nicholas, Ann Corbett, Sylvia Lambert, Fran Lettow, Barbara Moening, and Mary Ann Smodish, Blossom Tea.

## Women Dormers Stage Water Fight, General Racket

South Campus women dormitory students gave as their excuse for the water fight and general racket they caused last Monday evening the fact that they "had to have some outlet for the tension of oncoming exams."

The racket started about 10:20 p.m., when some of the girls staged a water fight. Students gathered on the balcony over the front entrance to Main Hall with buckets, pans, and jars of water, and others hung out of third and fourth floor windows of the building. Water was thrown at people passing on the sidewalk below and those entering the building. The actual water fight ceased about 10:45, but the women kept up a racket within the dormitory.

Practically every woman in the dormitory became involved in a raid on South Hall girls and later, a mass "serenade" on the third floor steps. Calls were made to Lehigh and Moravian men students, but only Clewell Hall and several Lehigh fraternity men appeared on Church Street. Women stood on the balcony and hung out the windows singing, but the men were turned away by the Dean of Women. Halycon Sartwell, who had come down to the dormitory after hearing the loud noise from her home up the street.

### Agreement Reached

With Dean Sartwell came Miss Emily Butner, who tried to reason with the women inside the dormitory. An agreement was made to stop the racket by 12:15 (it was then 11:30,) but by 11:50, the police had arrived upon receiving a complaint by neighbors. Police told Dean Sartwell the noise would have to stop or a warrant for disturbing the peace would be issued. With this warning, the rioting ceased and was not begun again.

Disciplinary action was in the hands of the Women's Dormitory Council, which held a compulsory meeting for all the women students Tuesday evening.

The general opinion of the girls was that something that had just been fun in the beginning got a little out-of-hand.

All agreed that it had been a release for the tensions mounting at this time of year. Dean Sartwell, recognizing the need for a release for tensions, said she still did not excuse the women because of this. She stated, "I do not excuse that type of behavior at any time. When people in the community are involved, it has gone too far."

When Childrens Choir, from Germany, thrilled a capacity crowd in one of the Moravian College—Bethlehem Community Series.

Basketball intramurals saw the Redbirds trip up the OGO's in the championship game. Above action took place in that game.

The faculty produced its first show in a long time, and turned out a big success. Here Mike Elias, Halcyon Sartwell, and Jan Roberts ham it up for a "Faculty Follies" scene.

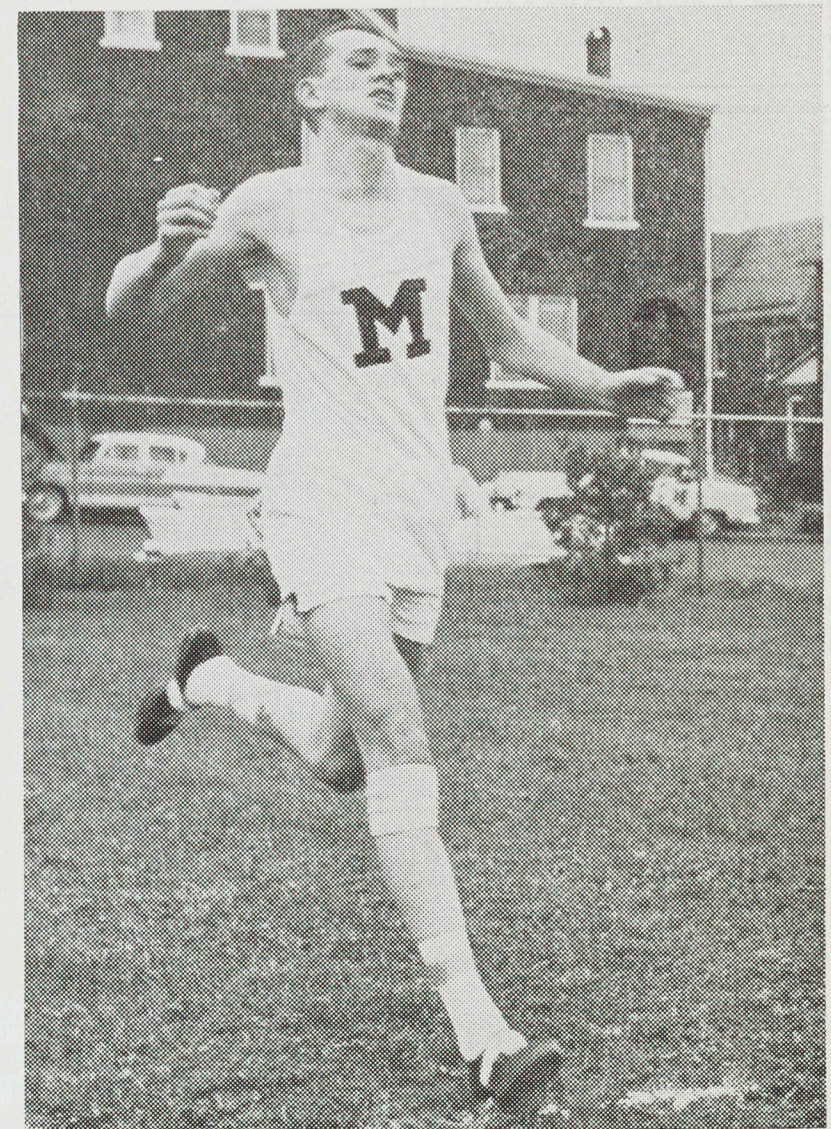

The Moravian band started off the year with a big aggregation, shown here in the Homecoming parade preceding the football game.

A winter with over-abundant snows like that shown here kept many people away from classes and even closed down the old school (tsk! tsk!).

The basketball squad started with inexperience, but showed its true form in compiling an admirable 11-9 record. It was the first court season under the tutelage of new coach Rocco Calvo. Above action took place in the game with Scranton which the Greyhounds took in two overtimes, 83-79.

Another first for the year was the cross-country team coached by Paul Kuklantz. Inexperience was a big factor, but the harriers ran up a record of two wins, two losses, and one tie. Pictured here is top speedster Hank Sunyak finishing second in a match Moravian won, 28-27.

# Greyhounds Down Albright But Mules Gain Revenge

by Neil Eskolin

Coach Gillespie's diamond men played host to Muhlenberg on Monday afternoon as they dropped their fifth game of the season, 4-2 and evened their record against Muhlenberg at one game apiece. On Tuesday, the Hounds traveled to Reading to be entertained by the Lions of Albright. The Hounds tamed the Lions, 8-2.

Moravian jumped off to a 1-0 lead in the third inning as center fielder, Jim Frank walked, stole second, reached third on Dick Schwartz's long fly ball, and scored on a single by Tony Matz. They once again touched Mule starter, Charlie Takacs for a run in the last of the fourth. Left fielder, Bill Hershey reached first on throwing error, and advanced to second on George Hollendersky's bunt single. As Hershey rounded second, the pitcher threw wild into center field allowing Hershey to move to third. He then scored on an infield out.

With the Hounds on top 2-0, the Muhlenberg nine came alive in the top of the fifth as they scored two runs to tie up the game. With one out, Takacs walked and advanced to second on Pat Wilson's infield single. Then successive singles by Holcroft and Moskowitz scored the two.

### Knotted Till Ninth

The game remained knotted until the top of the tragic ninth. Catcher Dave Hoover was hit by a pitch, but was erased at second as Takacs tried to sacrifice. Takacs moved to second on a single to left by Wilson. Hofero singled to load the bases and Joe Moskowitz then poked a single to left as two runners romped home to put the game in the bag.

For Takacs it was his second win of the year against four defeats. The Mules now stand at 4-9-1. For the Hounds, it was their fifth loss against eight wins Chergey's record now stands at 4-3. There were four errors for the Greyhounds, but none of them affected the scoring. The Hounds picked up only four safeties as Takacs had the situation well in hand throughout most of the game.

In Tuesday's game, the Hounds put on a fine hitting exhibition as they crushed Albright, 8-2. They started it off in the second when catcher George Hollendersky reached first on an error by Fred Dietzel, the Lion's third sacker. A single to center by Gilbert advanced him to second.

Then with two out, freshman Jim Frank rapped a sharp single to center to score Hollendersky. The Hounds hit the scoring column again in the fifth. With one out, Schwartz reached first on an error. He was moved to second as Matz got to first via another error by Dietzel.

Sophomore pitcher Bill Hershey then lined a single to left which scored Schwartz from second. Matz was thrown out trying to move from first to third on the play as Hershey took second. A double by Hollendersky scored Hershey and another double by Gilbert scored Hollendersky.

### Strike In Sixth

The Hounds struck again in the sixth. Freshman Jeff Gannon singled to center and reached second as the second baseman dropped the relay from center. A wild pitch advanced him to third and with Gene Medei at bat, Gannon stole home.

Albright rallied in the eighth as they picked up their two runs.

# Tennis Squad Splits With Mules, Devils

Moravian's netmen split in their two intercollegiate matches last week. The Hounds whipped Muhlenberg, 5-4, but were defeated by Dickinson, 6½ to 2½. Wins in both matches were recorded by Dan Simon in singles and Bob Lipkin and Hal Cole in doubles.

Muhlenberg match scores: Singles—Dick Roth (Mor.) defeated Bob Leighton in straight sets, 6-0, 6-2; Bob Lipkin (Mor.) edged out Harry Berg, 10-8, 6-4; Frank Casaszur (Mu.) defeated Dick Steiner, 6-0, 6-3; Les Lazarowitz (Mor.) overcame Bob Christine in three sets, 6-3, 4-6, 6-2; Dan Simon (Mor.) over Gil Sopher, 6-4, 6-3; Ron Stewart (Mu.) over Hal Cole, 6-4, 6-3. Doubles—Leighton and Berg (Mu.) over Roth and Steiner, 7-5, 6-4; Casaszur and Stewart (Mu.) over Lazarowitz and Simon, 6-4, 6-2; Lipkin and Cole (Mor.) defeated Follweiler and Behrie, 2-6, 6-1, 6-4.

Scores of the Dickinson match were: Kit Spohr (D) over Dick Roth, 6-3, 6-2; Art Dvel (D) defeated Bob Lipkin, 6-1, 6-2; Ron Waxman (D) over Dick Steiner, 6-1, 6-2; Dan Simon (M) over Byron Trunn, 3-6, 6-3, 6-2; Dave Ayers (D) defeated Hal Cole, 6-1, 6-0; Chuck Rowe (D) defeated Bernie Staller, 3-6, 6-1, 6-3. In doubles Spahr and Del (D) over Roth and Steiner, 6-3, 6-0; Lipkin and Cole (M) defeated Ayers and Waxman, 7-5, 6-2; Simon and Staller, (M) were defeated by West and Willard 1½ to ½.

Right fielder Tony Bawlewicz walked and scored on Bruce Young's triple down the right field line. He then scored on a grounder to short.

Not to be outdone, Moravian had the last word as they came up in the ninth to close out their scoring. As Matz stole second, Schwartz tried to come home but he was erased at the plate. Hershey walked, and then George Hollendersky came up and ended the afternoon with a tremendous home run way over the center fielder's head, scoring Matz and Hershey before him. It was his third circuit blow of the season.

The Hounds picked up eleven hits in the afternoon. Three of these were by the brilliant sophomore pitcher, outfielder, slugger, Bill Hershey. Hershey hit safely in every game he played and has totaled 20 hits in 41 at bats for an amazing .487 batting average, the highest on the squad.

Hershey wasn't satisfied just hitting though. He also pitched his way to his fourth win against just one setback. He allowed only three hits all afternoon. Also having a splendid year for the Hounds is junior Tony Matz who in addition to doing a fine job at first base has accumulated 19 hits in 52 at bats for a very respectable .365 average.

# Baseballers Take Three Straight From Royals, F&M, Red Devils

by Art Potosnak

Moravian's baseballers picked up their eighth win on Saturday, beating Dickinson, 5-3. The Dickinson game had been Moravian's third game in four days with no ill effects, as they beat Scranton on Friday, 9-4 and on Wednesday pulled out a squeaker over F & M, 2-1.

Bill Hershey went nine innings against Dickinson scattering nine hits and collected two of his own to drive in two runs in his own cause. The Hounds opened the scoring in the first inning on Tony Matz's triple and Hershey's single. They collected their second run in the fifth inning when Jim Frank and Jeff Gannon walked and advanced on a passed ball. Frank came in to score on Gene Medei's infield out.

### Hollendersky Hits Liner

In the sixth inning George Hollendersky hit a liner into left field

that eluded Ken Lacy and George circled the bases for a homer to make the score 3-0. Moravian scored their final two runs in the seventh inning. Medei walked, stole second, and went to third on a pick off attempt. He scored when Matz singled. An error by left fielder Lacy enabled Matz to move to third on his single. Hershey then sent Matz home on his second single of the day.

Dickinson didn't score a run until the seventh inning, when center fielder Jim Ewing singled and pinch hitter Bill Wachter doubled. The final runs for the Red Devil's came in the ninth inning when relief pitcher Jim McNutt blasted a two run homer off Hershey. Hershey picked up his third win of the season, struck out three batters and walked three men. In addition his two hits gave him a batting average of .457, highest on the squad.

Only the day before Moravian humbled Scranton Univ. 9-4, with reliever Dick Chergey picking up his fourth win of the season and second in three days. Chergey came on for starter Matthews in the fifth inning with the score at 4-4. Moravian had blown an early lead, but came back with 4 runs in the bottom of the fifth to put away the game. Gannon opened the inning with a triple, Medei walked and both runners romped home when third baseman Stan Opredrik's throw to first on a sacrifice went into right field.

### Matz Homers

Tony Matz followed with a two run homer to right field to make the score 8-4. Moravian added a single marker in the seventh to close out their scoring. Jeff Gannon collected three hits, a triple, double and single. Bill Hershey and Tony Matz each had two hits, with the latter collecting three RBIs.

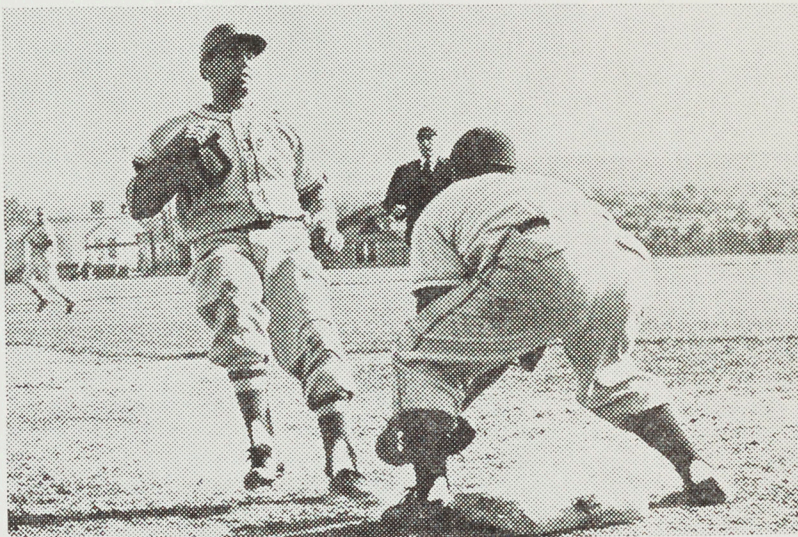

Two days earlier Chergey was also called upon to do some relief work and picked up another win. At Lancaster on Wednesday Moravian won a thriller over the Diplomats of F & M 2-1. Freshman Mike Lansenderfer started for the Hounds but was lifted in favor of Chergey in the seventh inning with F & M ahead 1-0.

Actually Chergey came in to pinch hit for Lansenderfer in the seventh and he pitched the final two innings for Moravian giving up only two hits and a walk.

The Hounds pulled the game out in the eighth inning. Captain Dick Schwartz doubled to left field and scored on Tony Matz's single to left. Matz advanced to second on the throw home and Gilbert pushed him to third on a sacrifice bunt. Left fielder Hershey followed and George Hollendersky fanned with a hot smash to third. Diplomat third sacker Fred Current bobbed the ball and Matz raced across with the important winning run.

Moravian had a total of nine hits but collected only five off starter George Trail. Dick Schwartz and Tony Matz each had two hits and both figured prominently in the deciding eighth inning.

# Miller, Toner, Matz Receive MVP Awards At Banquet

The Annual All-Sports Banquet of Moravian College was held last Wednesday evening in the South Campus Dining Hall. A large Group composed of all of Moravian's athletic teams, band, cheerleaders, coaches, the Athletic Committee, alumni representatives and invited guests were present to enjoy a delicious chicken dinner after which Toastmaster Dr. Otis Shao carried on with the program.

After formal introductions were made, Charles Wagner a member of the Alumni Association presented the Most Valuable Player awards for football, basketball and baseball.

For football, the honor went to senior Rodney Miller. Miller also the recipient of last year's award showed a lot of hustle and a fine competitive spirit in his four years on the Greyhound squad.

The basketball award went to senior Fritz Toner. Toner, the "teen-age terror of the courts," sparked the Greyhounds to a winning season this year as he raised his career total of points to 1100.

For baseball, the award went to junior Tony Matz. Matz sparkled at first base for the Hound diamond men this season as he compiled the second highest batting average on the squad.

Harvey T. Gillespie presented the senior athletics with blankets. Those who received the blankets include Sy Hirsch, Dave Kratzer, Rod Miller, Ron Rhen, Dick Roth, Dick Schwartz, Ken Skrable, Paul Slifka, Dick Steiner, and Fritz Toner.

Toner also received a basketball in recognition for scoring over 1000 points in his four years at Moravian.

Tony Matz, President of the Varsity 'M' Club, announced that Paul Kuklentz, coach of cross-country, wrestling and indoor track was chosen as this year's

honorary member of the Varsity 'M' Club.

The Varsity "M" award this year went to Robert Snyder. This award is given annually to the Moravian alumnus who contributes most in aiding the athletics of Moravian College.

# 'Lighters Take Championship of I. M. Softball

The Redlighters downed the Sons of Italy last week 11-10 to become champions of intramural softball for 1958.

The Sons of Italy staged a great uphill battle to tie the game, only to lose on an unearned run. The Sons were down 10-4 at one stage of the game but came back to tie on Bob Russoli's grand slam home run. Nick Cuttic also blasted a home run for the Redlighters with two men on.

The hitting star of the game was Joe Esposito of the Sons', as he had a perfect day at the plate collecting 5 for 5. Included in Esposito's five hits were a home run, triple, double and two singles in a losing cause. The decisive winning run came when Cuttic singled Joe Keglovits to third base and he scored on an infield error.

Jack Frieler played an outstanding defensive game for the Redlighters and helped winning pitcher Joe Fliszar out of some tight scraps. Reliever Joe Iampietro absorbed the loss for the Sons.

# Four Greyhound Squads Have Winning Slates

## Moravian Teams Roll Up Combined Record Of 41 Wins, 31 Losses, 1 Tie

by John Layman

The Moravian Greyhound baseball and tennis teams will end their seasons today with Albright and St. Joseph respectively, thus ending the sport scene at Moravian College for the '57-'58 campaign. It was a season composed of 41 wins, 31 losses, and one tie, with four of seven squads racking up winning records.

This past Fall, the Moravian gridiron players enjoyed their third consecutive winning season under the direction of Coach Rocco Calvo and leadership of co-captains Rod Miller and Gus Rampone. The Hounds, flu-ridden in the beginning of the season, dropped their opener to Lycoming 34-13, and the P.M.C. game, 6-0. After having had two flu-cancelled contests they bounced back into form by soundly drubbing their next four opponents in succession.

On November 2, the Hounds moved into the win column with a 19-6 victory over the Albright Lions. The second win was recorded against the Vikings of Upsala on Moravian's postponed Homecoming Day 21-6. The following week the pigskin Hounds rolled to their third straight victory by romping over the Hawks of Wagner 32-14. It was this game that was highlighted by a 92-yard touchdown run in the fourth quarter by Joe Esposito.

The Greyhounds closed out their season with a 19-7 win over Wilkes.

Seven seniors played their last collegiate ball this year. Each of them has made an outstanding and individual contribution to the Greyhound effort for the past four years. They are Ron Rhen, Dave Kratzer, Bruce Mumie, Rod Miller, Paul Slifka, Jack Finelli, and Dick Berner.

### Cross-Country

Cross-Country, a new sport at Mo-Mo, did considerably well in its first year of competition under the coaching of Paul Kuklantz. They compiled a record of two wins, two losses, and one tie. The Harriers, an enthusiastic but inexperienced group, journeyed to Elizabethtown for their opening meet of the year, which saw a 42-17 score in favor of Elizabethtown.

The story was quite strongly reversed, however, the following week, when the same Moravian Harriers, with a bit more confidence and experience, ran against P.M.C. on the Cadet home course. It was a 22-37 victory for the Hounds. The runners eked out a 27-28 win over the Lion Harriers of Albright. On November 5 of the following week at the Muhlenberg course, the Hounds and Mules tied at 28 all.

In their last meet of the season, the Greyhounds in a rescheduled meet with F & M, lost on the latter's course 24-23. Coach Kuklantz will have all of his lettermen returning for next year's squad.

### Basketball

Switching to the winter sports, the Hound hoopsters went over the .500 mark, finishing with an 11-9 record in their first season under Coach Calvo. Calvo had to rebuild the entire team, except for last year's starter Fritz Toner, and did a mighty fine job of rebuilding. The Hounds who were riddled by graduation gained momentum and overcame their early

season losses with a number of hard-fought victories in the latter part of the season.

On December 7, the Hound Cagers started off the year with a "bang" as they walloped the Drew Rangers 71-4. In the following two games, the Hounds bowed to Wilkes and Muhlenberg. This losing streak was broken when the Cagers recorded a win over Swarthmore. But in the next three contests, the Hounds again were on the short end of the scoring.

In the game with Albright on January 11, the Hoopsters once again proved their well-balanced offense with an 86-80 victory. The biggest disappointment of the basketball season took place the following Tuesday night with less than a minute of play completed in the second half, and Moravian on top by a 49-36 score—poof—College Hall was in darkness and play was discontinued. Captain Fritz Toner had rolled up 23 points in the first half and it looked as though he would break the College Hall record of 38 set in 1956.

The other losses for the cagers during the season were Scranton 86-73, St. Peters 76-62, F & M 80-60, and Wagner 72-55.

Lebanon Valley and Dickinson were victims of the Greyhounds court men during the middle part of the season.

On February 5, the Flying Dutchmen from Hofstra breezed into Bethlehem with a win over Manhattan College and a 9-4 record. The Hounds put on a well-executed 3 - minute, 44 - second freeze, during which time Hofstra was completely bewildered and left the final score reading 50-46 in favor of Moravian.

The other highlight of the season was the Scranton game. The Royals had been unbeaten in 11 straight games, the last two victories coming over Villanova and Georgetown. The game was forced into double overtime before Moravian slipped past the powerful Royals in one of the biggest upsets of the year, the final scoring reading 83-79.

In scoring, Captain Fritz Toner led the Hounds with 287 points for an overall record of 1,100 points in his four years.

Joe Keglovits, the man under the boards, pulled down 218 rebounds for the season. Both of these men did a fine job in their respective departments for the cagers during the past seasons. Toner will be sorely missed next year.

### Indoor Track

Moravian also initiated indoor track this season. The men competed in meets at Madison Square Garden under the direction of Paul Kuklantz. The letter men included Robert Fatzinger, Dale Berger, Robert Kern, Richard Guflock, Jack Jacob, Demetri Diamondopolous, and Harry Sunyak.

### Wrestling

Another new sport that was inducted into the Moravian sports program was wrestling. The Hound grapplers in their first match, lost to Wilkes College, the 1957 MAC wrestling champs, 35-3. The Wilkes team had been undefeated in the last 16 dual meets.

The wrestlers dropped the following four matches to Swarthmore, PMC, Muhlenberg and Albright. In the last two meets, the grapplers built up steam and swept them by lopsided scores.

The heavyweight division, Charlie Bartolet went undefeated in the regular season of dual meets. In the MAC tournament held at Wilkes, the Hounds finished seventh out of 14 teams competing.

The only Moravian wrestler to reach the finals was Bartolet. He lost by a decision to Muhlenberg's Jerry Rehrig, 4-3. During the regular season, Bartolet had decided on Rehrig, 7-5. Bob Silvetz at 167 pounds was the only other Moravian grappler to reach the consolation finals. The wrestlers will be at full strength next year with the exception of Captain Ron Cziraky at 145 pounds who will graduate.

### Baseball

The Moravian diamondmen to date have a fine record of 9-5 considering the absence of pitchers Jim VanNatta, Rollie Passare and Jack VanNatta, infielder and a threat at the bat, in addition to three other regulars lost by graduation.

Coach Gillespie and assistant Coach Garscar have built a fine team around sophomore pitchers Dick Chergey, Bill Hershey and captain Dick Schwartz.

The Hounds' baseballers were off to one of the worst starts in recent years. In the opening encounter of the year, they lost to the Leopards of Lafayette 7-2. The next two games were losses to Drew and Wilkes by 6-5 and 11-5 respectively.

The first home game of the '58 season saw the Hounds break their three-game losing streak and moved into the win column with a 5-2 victory over the Quakers from Swarthmore. Coach Gillespie's boys then continued to win the next four games in succession over Lebanon Valley 8-4, Muhlenberg 9-0, Wagner 15-6, and Scranton 9-4.

In the Wagner contest, right-fielder Sy Hirsch proved to be Wagner's biggest headache as he collected three hits in five trips including two home runs over the left field fence while batting in six runs for the Hounds.

Ursinus handed the Hounds their fourth loss. In the following three games, the Hounds posted victories of 12-0 over P.M.C., 2-1 over F & M, and 5-3 over Dickinson.

This week on Monday, the Hounds played Muhlenberg in a rescheduled game. The story was the reverse of the first encounter as the Mules won 4-2. On Tuesday

## Greyhound Gossip

by Dick Steiner

When the time finally arrives for a sportswriter to pound out his final column, a myriad of thoughts races through his mind as he ponders over the final bits of athletic wisdom he should impart to his readers.

The highlights of four years of exciting intercollegiate events drift into mind, then fade away, a brief memory to be recalled again in some nostalgic moment. The truly fine athletes, and likable and promising young men, whom you have associated with and come to call your friends, these you also recall, wondering what has become of them, where they have gone and where they are heading. Most of all, you are glad for the time you spent getting to know these people, sharing in their elation and in their disappointment. You are glad to have had the opportunity to have been a part of sweaty smelling locker rooms and hot tiresome buses. Like every sports-

writer, you felt inside you the keen desire to be out there helping your friends and your school, but you had a job to do too, if not as glorious, at least a rewarding and gratifying one. You hate to think of never climbing on a bus to set out for another school with hopes and spirits high, but you realize that like all seniors you must yield to lady time and that all these things will still be going on for years to come, when the names of Champ Storch or Bob Jones, Dick Schwartz or Rod Miller, will be mentioned only when someone dusts off an old record book to see whether some young athlete has broken a record. These are a few of the thoughts which go through your mind, when you try to say so long, but not "see ya next week."

the Hounds trounced Albright 8-2 as Bill Hershey pitched the victory and raised his batting average to .487 and George Hollendersky rapped his third round tripper of the season. The remaining game of the year is with Albright, tomorrow.

### Tennis

On the tennis scene the Hounds have a 3-7 loss record with two remaining matches. Coach Sam Kilpatrick had three lettermen returning to this year's squad. They were seniors Dick Roth and Dick Steiner, and junior Dan Simon.

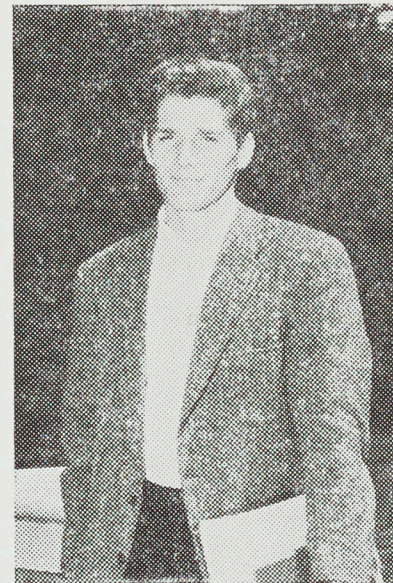

In the opening match the netmen defeated LaSalle College, 6-3. The other two recorded wins were over Wilkes 9-0 and Muhlenberg 5-4. The losses were nearly all close ones. Dick Roth and freshman Bob Lipkin represented Moravian in the MAC Tennis Tournament. Newcomers Hal Cole and Les Lazarowitz rounded out the team of six starters during most of the season.

Rounding out the sport scene at Moravian is the Hound Golfers under the coaching of Hal Bilheimer. They have compiled a record of eight wins and three losses to date. The three losses were to Muhlenberg (9½-8½) in the opener, Lafayette (14-4) and Albright (13½-4½).

The team this year consists of Fritz Toner, Ducky Potter, Bob Volko, Tom Volko, Ken Skrable, Gene Salay and Buddy Soloff.

The linksmen traveled to Mount Union, Penna. for the MAC golf Tournament on May 9. They placed sixth out of a field of eighteen, 29 strokes behind the winners, Lehigh.

With the school year at a close, the sports scene with three additional sports has increased the prestige of the Moravian Greyhound athletics.

## SPRING SPOTLITE

### Ken Skrable, Golf

In concluding Spring Spotlight for the year, we feature Ken Skrable, veteran Greyhound linksman.

## Moravian Gridders Enter M.A.C. Football League

Moravian College recently became a member of the newly organized Middle Atlantic Conference football league. The college league will be split into two divisions, 11 north and 9 south.

Colleges included in the league are Albright, Dickinson, Hofstra, Juniata, Lebanon Valley, Lycoming, Scranton, Susquehanna, Wagner, Wilkes, and Moravian in the northern group, and Drexel, F. & M., Haverford, Johns Hopkins, P.M.C., Swarthmore, Ursinus, West Chester, and Western Maryland in the southern group.

There will be a university group made up of eight schools including Bucknell, Delaware, Gettysburg, Lafayette, Lehigh, Muhlenberg, Rutgers and Temple.

### Five Game Minimum

In the college section, a minimum of five games must be played within the league—at least two within the division—in order for that team to be eligible for the title. In the university section at least four games must be played by a member team with others in the group for title eligibility.

The championship of each group; college and university, will be determined on a percentage basis.

The MAC football setup brings to nine the number of sports which have formal conference activity.

(Cont. from p. 1, col. 5)

stated that \$11.75 had been collected from North Campus canisters, \$6.90 from South Campus canisters, and that Alpha Epsilon Pi and Phi Mu Epsilon sororities, and Omicron Gamma Omega and Tau Kappa Epsilon fraternities had each contributed \$25. The USG then passed a motion to add \$80 to the fund, leaving a balance of \$319.21 in the USG treasury.

After the meeting it was announced that an additional \$65 had been received, \$55 from Pi Mu fraternity and \$10 from Sigma Phi Omega fraternity. This, added to the previous donations and the USG contribution, brought the fund drive total to \$263.65.

Constitutions for the Interfraternity Council, Intersorority Council, Kappa Delta Epsilon education sorority, and the Modern Language Club were approved the the USG and membership was accepted.

A motion was passed giving the Concert-Film Committee an allocation of \$1.20 per student during the coming year. This was an increase of twenty cents over previous allocations.

After lengthy debate the USG passed a resolution clarifying the composition of the committees defined in Section 1 of the new constitution. The resolution made clear which are strictly student committees and which are student-faculty committees.

## Weinlick Speaks At Program For Women's Founder's Day

The 216th anniversary of the founding of the original women's institution of the present Moravian College was celebrated Friday, May 9, with the Founder's Day program led by Dr. John R. Weinlick, professor of historical theology at Moravian Theological Seminary.

In his address, which honored Countess Benigna von Zinzendorf, founder of Moravian Seminary in 1742, Dr. Weinlick stated, "The

Church Street heritage of Moravian College is a challenge to dedicated living in the present age, a living that is a combination of the sacred and the secular in life and which places an emphasis that rises above utilitarian concepts."

Drawing upon the original Bethlehem community, Dr. Weinlick continued that it was up to Moravian College to continue the worldwide outlook of the original Bethlehem community. "Bethlehem," he said, "was never a frontier village. There was no insularism in the original community in which Moravian had its beginning. Hence, it is an important part of our Church Street heritage that we recognize its constancy of values and that its idealism is practicable."

Thursday evening at sundown, a wreath honoring the dead of the Revolutionary War was placed on the grave of the unknown soldier by four Moravian College students: Daneen Jones, Bethlehem, a senior and Women's Athletic Association president; Carol Burwell, Easton, a senior Women's Council president; Kathryn Werst, Bethlehem, Women's Activities Committee chairman for 1958-59; and Gail Harding, Nutley, New Jersey, a senior and president of the Women's Dormitory Council. William Dimmick, Bethlehem, a member of the senior class, played taps at the ceremony.

## Moravian Wives Awarded Honorary P.H.T. Degrees

Thirty-eight wives of Moravian students received their P.H.T. (Pushing Hubby Through) degrees recently. Shirley Leh played the organ and Rev. Williams offered the invocation and benediction during the ceremony held in Borchek Memorial Chapel. Walter Beaupre presented the graduation address, "Navigation Through Marital Waters." Dr. Raymond Haupt presented the degrees.

Mrs. Frances Figlear, president of the Moravian College Student Wives Association, introduced the speaker and presided at a tea held in the refectory building following the "graduation." Assisting at the tea were Mrs. Haupt, Mrs. Harvey Gillespie, and Mrs. Samuel Kilpatrick, faculty advisors of the group.

Two of the wives are already college graduates. Poppy (Mrs. Andrew) Zizos, Shirley (Mrs. Wallace) Elliot, and Kathryn (Mrs. Dick) Lambert will receive degrees at the college commencement on June 8.

## Anachronism?

Not really. 'Cause if Coke had been around in Caesar's day, Caesar would have treated himself to the sparkling good taste, the welcome lift of Coke! Caesar's motto—"I came, I saw, I conquered." Pretty good motto for Coke too—the prime favorite in over 100 countries today!
