

U S G Holds Primaries Monday and Tuesday

Hilde Gueden, Met Star, Sings Here Tomorrow

The famous soprano Hilde Gueden will be heard here tomorrow evening in the final concert of the 1958-1959 Bethlehem Community Concert-Moravian College Series. The concert will begin at 8:30 p.m. in Johnston Hall.

Miss Gueden, star of both the Metropolitan and Vienna State Operas and equally acclaimed as a concert singer, will present a group of Viennese waltzes, as well as selections from the operatic repertoire.

The program will open with "Ah! Spietato, from 'Amadigi'" by Handel. The number will be sung in English. Miss Gueden will follow with "Se Florindo e fedele" by A. Scarlatti, and two Mozart arias: "Voi che sapete, from 'The Marriage of Figaro'", and "Alleluia, from the Motet, 'Exultate Jubilate'".

Next on the program are Richard Strauss' "Freundliche Vision" and "Schlagende Herzen," followed by "Nachtigall," "Immer leiser wird mein Schlummer," and "Vergebliches Standchen," all by Brahms. The first part of the program will conclude with the "Finale, Act I, 'La Traviata.'"

Pianist Performs

After the intermission, Paul Ulanowsky, pianist, will perform Schumann's "Arabesque" and "Two Mazurkas," by Chopin.

Miss Gueden will begin her second part of the concert with "Air

de Lia, from 'L' Enfant Prodiges" by Debussy. She will then offer an old Scottish Cradle Song, "O Can Ye Sew Cushions" for which Colin Taylor arranged music to the traditional words. There will also be two other folk tunes, "At Michael's Gate" by Harry Brook, and "Mary of Allendale," arranged by H. Lane Wilson. The

final number on the program is the aria "Rosalinda's Czardas from 'Die Fledermaus'".

Although best known to American households through her television appearances and the Metropolitan Opera broadcasts, Hilde Gueden has also made bestseller records of most of her favorite roles in opera, many of the classics, and all of the songs of the Vienna Kings.

Pops Overflow Brings About Policy Change

The Moravian College - Bethlehem Community Concert Series will return to the previous practice of punching membership cards at the door during the next concert season due to a change in policy announced recently.

Dr. Maurice P. Charnock, president of the Bethlehem Series, announced that the decision was made by the officers and directors of the associations as a result of the more-than-capacity audience which attended the concert of the Boston Pops Orchestra in January.

Charnock said that beginning with the 1959 fall concerts, the Bethlehem Association will issue to the Easton Community Concert Association 150 special tickets for each of the Bethlehem programs. Admission for Easton members will be by this ticket only.

In return, Easton will reserve 150 seats for Bethlehem members at each of their concerts. Admission tickets will be obtained at the door by showing the Bethlehem membership card.

Seats for Bethlehem subscribers will be available as usual at the two remaining concerts of the Easton season this year.

Next Friday

NSA Veep To Speak About MC Problems

Fred Werner, vice president of the National Student Association, will be on campus Friday, February 27, to speak to the students about the purposes of the NSA and the advantages to Moravian College of joining the organization.

Werner will speak and hold discussion from 2-4 p.m. that afternoon in Room 9 of Johnston Hall. Peter French, vice-president of USG, expressed the hope that all interested students will attend, and particularly, members of USG and candidates for USG offices.

Werner will eat that evening in the South Campus dining hall. He will also be at Cedar Crest that morning and at Lehigh that evening.

Speaks On Integration

French stated at the USG meeting Tuesday night that Werner is aware of the problems that face us and will, among other topics, talk about better integration of students into activities and the future integration of the student union and the USG. His discussion will also probably cover an orientation program, for which problem Moravian now has an investigating committee.

Thus far, the only action taken in regard to considering membership in NSA has been the committee's reading of its constitution. In doing such, they found no conflicts with our own student body constitution. In this area, Cedar Crest College belongs to the organization, and Lehigh and Muhlenberg are seriously considering it.

Bartolet, French Nominated For Office Of Presidency

Peter French presented a petition and Charles Bartolet was nominated from the floor for the office of president of United Student Government for 1959-60 on Tuesday night. Robert Gray and Fred Lipari submitted petitions for vice-president.

For the office of treasurer, James MacDonald and Ernest Pappajohn submitted petitions, and Joan Albrecht, who presented a petition and Judy Laning, who was nominated from the floor, have been nominated for secretary.

Primary elections for the eight candidates, whose names were decided upon at a meeting of USG held Tuesday evening, will take place Monday and Tuesday in the main hall of Comenius Hall, and finalelections will be held Monday and Tuesday, March 2 and 3.

All-Student Skating Party Set By U S G

An "all - student" ice - skating party will be held Sunday, March 1, at 8 p.m. at the Al-Beth Skating Rink in Allentown. The affair, to be sponsored by United Student Government, will be free of charge.

The rink has been reserved solely for the use of Moravian students at that time, who will be entitled to the full use of all facilities of the rink. The rink does not, however, have facilities for the rental of skates.

The event has been made possible by a motion passed at a meeting of USG held last Tuesday to schedule the party and to allocate enough money to pay for the rental of the rink.

President Joe Prorok announced that even though only two candidates were proposed for each office, primary elections will be necessary to allow for the possibility of write-in ballots, as stipulated in the USG constitution.

Installation of the newly-elected officers will take place at the next meeting of USG, to be held March 3.

New Member

By a unanimous vote, the constitution of the Varsity "M" Club was accepted and the organization made a member of USG, to be accorded all the rights and privileges of its members.

At the same meeting, a motion was introduced and carried to the effect that USG sponsor an all-student ice-skating party on Sunday, March 1.

Prorok, who had previously in- (Cont. on p. 4, col. 4)

Dean's List Names 49; Straight A's Attained By Eight

Dean Marlyn A. Rader has announced that 49 Moravian students have attained averages of 3.5 or better to place them on Dean's List for the fall semester. Approximately 16 per cent of these students received 4.0, a straight A average.

Making the Dean's List were 17 seniors, 13 juniors, 9 sophomores, 9 freshman and 2 special students. Students carrying 12 or more credit hours are eligible for Dean's List.

Receiving 4.0 averages were Virginia Dancy, Judith Elliot, and Mary Vezzoli, seniors; Nancy Baker, junior; Louis Czechowski, sophomore; Carol Herman and Barbara Snyder, freshmen; and Marcia Elkus, special student.

Others named to Dean's List are Carolyn Felver, Mary Ann Gingles, David Greulich, Anthony Heiser, Ernest Josar, Mary Lesin, Anthony Matz, Imogene Meixsell, Marcia Morgan, Mary Ann Smodish, Kathy Werst, Nicole Yoder, and Charles Ziegenfus, seniors.

Charles Bartolet, Lois Behler, Griffith Dudding, Judith Frederick Paul Kadas, Beverly Luzietti, Thomas McHugh, Jane McMurray, Gene Salay, L. Dale Stewart, Dora Thomas, and Jerry Witbro, juniors.

Joseph Bodish, Cynthia Geiman, Theodore Rights, Gertrude Smull, Bernard Staller, Ronald Stupak, Nancy Warren, and Thomas Wilson, sophomores.

Glenn Gold, Frances Guro, Athanasios Houides, Joan Karustis, Robert Sallash, Arlene Tubio, and Dolph Ulrich, freshmen; and Jane Greene, special student.

'German Pietistic Thought' Is Theme Of Academic Symposium In March

Planning is now underway for the 1959 Moravian College Academic Symposium, to be held on campus Saturday, March 14. Topic of discussion will be "German Pietistic Thought in Colonial America."

Speakers, discussions, a tour of the South Campus excavations, and a concert by the Moravian College Choir are among the features of the day's program. Plans are also tentatively in the making for an art exhibit in conjunction with the symposium.

The three speakers will include Dr. John R. Weinlick of the Moravian Theological Seminary faculty, who will advance the Moravian aspect of the topic; Dean Harold S. Bender, Dean of the Goshen (Indiana) College and Biblical Seminary, who will deliver a paper on the Mennonite faith; and Mrs. Salina G. Schultz, who has been editor of *Corpus Schwenkfeldorum*, a definition of the Schwenkfelder church and its tenets. She will talk about the Schwenkfelders in respect to the general topic.

Two discussion sessions will be held, the first beginning at 10:30 a.m. in the Archives Building.

Luncheon will be held at 12 noon in the South Campus Dining Hall, after which the discussion will be resumed.

At 2:30 p.m., the guests of the symposium will be given a tour of the South Campus excavations, which are being sponsored by the Kemmerer Museum.

Beginning at 8 p.m. that evening, a concert will be given by the Moravian College Choir with soloists and orchestra. The event, to be a bicentenary commemoration of Handel, will be held in the Central Moravian Church. The program will include among its numbers Psalm 112, "Laudate Pueri Dominum," "Concerto Grosso, No. 7, in B Flat Major," and "Utrecht Jubilate." The latter

work was written to celebrate the freedom of the port of Utrecht.

If plans are made definite for the art exhibit, the college-owned Gruenwald paintings will be arranged in the Gruenwald Room and the Grey Parlors of Main Hall, South Campus. The paintings, which have been restored by a New York art dealer, are being returned to the college for the exhibit and for permanent hanging.

The Symposium Committee, a faculty and administration committee responsible for planning the events, consists of Dean Marlyn A. Rader, chairman, Dr. J. Richard Jones, Dr. Lloyd Burkhardt, Mrs. Anna T. Riley, and Robert P. Snyder.

LITTLE MAN ON CAMPUS

"OH, HE'S OUR MOST POPULAR HISTORY TEACHER ALL RIGHT, BUT I HEAR HIS STUDENTS DON'T LEARN MUCH FROM HIM."

'Much Ado About...'

By Dave Schattschneider

Another week has gone by and here we go again fans! First off, congratulations to the Social Activities Committee for another job well done, namely last Saturday night's Mardi Gras Dance, which, despite rather uncooperative weather, drew a good sized crowd.

In line with the apparent new "get tough" policy, the faculty is beginning to delve into that delightful past time of giving TESTS. We must realize of course that these small trials along the way are only so that we will have some constructive use of our "spare time!"

Anyway, the new trend seems to be on expressing yourself in good, idiomatic, English. This naturally means having a lot of information ready to put down in answer to the two hour exam given in forty minutes. It's always good to include a few facts in blue book after blue book of questionable prose which seems to flow from our pens with so much difficulty. Here are a few little tidbits you might want to throw in somewhere along the line.

For example, did you know that Paul Revere never did get around to finishing that famous ride of his? Seems he got himself arrested and his job had to be finished by one Sam Prescott.

If you decide to become an individualist in one of your answers and write a bit on why you should not vote in national elections, you might remember that Zachary Taylor, twelfth prexy of the United States, (from 1849 to 1850) never cast a vote!

Here's a shining one for you—John Quincy Adams was the only baldheaded man ever elected to the Presidency of the United States.

By this time you are probably disgusted with this and with history in general, so just remember that it was Oscar Wilde who once remarked, "History is mere gossip!"

If you happen to be taking a "deutscher" exam and find yourself at a loss (as one usually does in such a situation) to adequately translate missile-age terms into this noble language you might remember the following. These terms were originated by some former German scientists, now working for the U. S. (yes, there are a few).

A guided missile control system is nothing more than a pullen and schoven workes. A warhead is "das laudenboomer," while a nuclear warhead is an "eagerschplitten laudenboomer." Finally, a hydrogen bomb is, "das eagerschplitten laudenboomer mit ein grosse holengraund and alles kaput!"

Had enough? So have I — see you next week, whatever you are!

A Third Sorority . . .

A little over two years ago, this campus saw the innovation of a third fraternity—quite a surprise, probably, to the ones who could conceive of Moravian as having only two in constant competition. We have no real way of knowing all the reasons why the charter members established a new group, but we're sure those of us oldsters who have seen both the two and three-fraternity systems here will say that the latter has eliminated a lot of the "bitter" competition that used to develop before.

Now we possibly face a similar problem—that of sororities. True, we do not say that the competition has become as bitter as we can remember the fraternities enduring, but enough so that loyalties to each can make the atmosphere unpleasant.

When there are only two such groups on campus, they too easily become "typed" as one extreme or the other in the eyes of the students and eventually in the eyes of the members themselves. It's ridiculous when you eliminate a good rushing prospect because you try to fit her into either extreme and decide she's more like the other "type."

A sorority, or any such group, is a mixture of all "types" of girls, and it's impossible to pin it down to one and label it as that.

How unfair it is, also, to the rushees themselves when they feel as if they have to choose between the "extremes." They are brainwashed with talk of these "types" from the time they enter the door as a first-day freshman.

We believe a three-sorority system would give the sororities the chance to bid the girls they really want, not just bid them "so that the other sorority doesn't get them." This has been the attitude that the groups have unfortunately been forced to take.

We believe a three-sorority system would give the girls a fairer chance to learn that sororities are an opportunity to know different kinds of girls. We hope to see the freshmen learn that sorority is not just something you join to tag along with the rest of the dorm, the floor, or the class.

Plenty of talk can go on about this subject. In fact, it has for years, especially after the new fraternity began. We hope that the freshmen and perhaps the sophomores, who can do something about it, will consider it seriously. Perhaps we will have a third sorority after all.

Sororities Plan Rushing Parties, Silent Weekend

Rushing parties on alternate nights will be held next week by the two campus social sororities, Alpha Epsilon Pi and Phi Mu Epsilon. Both sororities and rushees must abide by the set of rules for Spring rushing established by the Inter-Sorority Council, and which have been distributed to women students.

Alpha Epsilon Pi will rush Monday and Wednesday, Feb. 23 and 25, and Phi Mu Epsilon will rush on Tuesday and Thursday, Feb. 24 and 26. Silent Weekend will be observed from Friday till Monday night, when the sororities will hold pledge parties.

Invitations to the individual rushing parties will be placed in the Gruenwald room, across from the main office on South Campus, on the particular day of each party.

The parties on Monday and Tuesday will be informal for both sororities. The Wednesday and Thursday night parties will be more formal, as dinner is included.

AEPI Shows

Alpha Epsilon Pi will present their traditional "Blackface" Monday evening at 7:30 o'clock in their sorority room. Committees include: invitations—Jean Bassford, chairman, Norma Guritzky, Madlyn Senick, and Jane Keogh; name cards—Fran LeTowt, chairman, Mary Ann Gingles, Carol Landrock, and Sue LeTowt; skits—Joanne Mazur, chairman, and Ronnie Vrable; refreshments—Mary Jane Wolfe, chairman, and Nancy Helms; and favors—Jane McMurray, chairman, Kathy Donchez, Anita Filler, Connie Glagola, and Barbara Hunsicker.

The Wednesday night dinner and show will be a "Hawaiian Party." Dinner will begin at 6:30 p.m. and rushees are to meet in the sorority room. Committees in-

clude: invitations—Marcee Amend; dinner—Sandra Yaeck, chairman, Patti Vincent, Nancy Helms, Carol Landrock, Pat Amison, and Connie Glagola; decorations—Jane McMurray, chairman, Jean Bassford, Barbara Graeff, Jane Ziegenfus, and Joan Albrecht; skits—Judy Clay; and menu—Harriet Peters, chairman, and Kathy Donchez.

Phi Mu Shows

Phi Mu Epsilon will again present the "Eve Allen Show" at their Tuesday night rushing party which will begin at 7:30 p.m. in the sorority room. General rushing chairman for both parties is Dolores Lang. Committees for the Tuesday night party include: general chairman—Pat Boyle; decorations—Debbie Herold and Pat Thornton; invitations—Pat Diener and Mary Lesin; food—Jeanette Mirne; choreography—Dawn Dangler and Rita Roseman; entertainment—Phyllis Zwarych and Dianne Stoltz; and favors—Faith Hartman and Barbara Roberts.

"The Inn of All Happiness" will be the theme of the Thursday night dinner and show. Dinner will be served in the sorority room at 6:30 p.m. Committees include: general co-chairmen—Nancy Boerstler and Christine Clark; decorations—Ginny Dancy and Judy Laning; invitations—Barbara Banker and Carla Nowark; food—Gertie Lou Smull and Molly Easterly; choreography—Nancy Haberern and Barbara Seneca; entertainment—Bev Luzietti and Cynthia Geiman; and favors—Ann Corbett and Barb Moening.

Placement News

Class Party For Freshmen February 28

Provident Mutual Life Insurance Company has arranged to interview students on campus on April 15. Schedules will be completed on April 7.

The February issue of The Armstrong Cork Company Employment Bulletin is on file in the Placement Office. The needs of the various departments are listed. Candidates should refer to "Careers in Business" for additional details. This is also available in the Placement Office. Armstrong Cork will not interview on campus but they will consider applications.

All seniors have not completed personal data sheets for the Placement Office. It will definitely be to the advantage of the students to comply with this request.

All Moravian College students are invited to use the literature in the Placement Office. A publication "Occupational Outlook Handbook" contains employment information on major occupations. This book is published by the United States Department of Labor in cooperation with the Veterans Administration and has been recommended by interviewing personnel of major industries as a guide to students seeking occupational information.

Feb. 23 — Schedule for Bristol Twp. School Dist.

Feb. 27 — J. Thornton of the Naval Reserves—Emcee Annex

President of the freshman class, Bill Needs, announced this week that there will be a freshman class party next Saturday. The party is to be held in the Girl's Gym and South Campus Femsee between 8 and 11:30 p.m.

The purpose of the party is to better acquaint the dorm and day students.

The program will consist of co-ed sports in basketball and volleyball. Other features of the night will be skits, dancing and refreshments.

A date affair for this party is discouraged. An admission of 25 cents will be charged to anyone bringing a date outside of the freshman class.

Hilde Gueden . . .

Dutchmen Stay Unbeaten In M A C As Hounds Bow 74-59

Ducky Potter's outstanding floor play and shooting was the only bright light to shine for the Moravian Greyhounds Tuesday afternoon as they dropped a 74-59 decision to the red hot Flying Dutchmen of Hofstra College. Potter, who tallied nearly half (29) of Moravian's points, raised his season's average to 22.17 per game over a period of 17 games.

The victory for Hofstra was their sixteenth in twenty-one games and their eighth straight without a loss in the MAC. For Moravian, it set their season record at 11-6 overall and 9-4 in the conference.

Russ Causley was the only other Hound to hit for double figures as he accounted for 14. The Dutchmen were paced by 5 ft. 9 in. Steve Dunn who tallied 22 points for the home club on fine assortment of jump shots and driving lay ups. Others in double figures for the Dutchmen were Don Laux with 14, and 6 ft. 7 in. center, Hank Schwab with 12.

The shooting from the floor was almost exactly even as the Hofstra quintet hit on 21 of 55 attempts while the Hounds connected on 21 of 56 tries. The Dutchmen wrapped up the win from the foul line, however, as they sank 32 of 44 charity flips as the Hounds capitalized on 17 of 24 shots.

The game started out very evenly and the score was knotted five times before Hofstra pulled away from a 29-29 deadlock to roll up

11 points in a row and pull into the lead for keeps. The Hounds struggled back before the half time buzzer but still were on the short end of a 42-32 score at intermission.

Moravian started out strongly in the first two minutes and managed to whittle the Hofstra lead to five points. The Dutchmen's shooting was way off in the opening minutes of the second stanza and with 10:30 to go in the game the Hounds inched to within three. However, from here on in, Hofstra superior foul shooting told the story. A streak of six points sent them into the lead 56-47 with 8:40 to go.

In the entire second half Hofstra was only able to connect on five field goals; but they were not handicapped as they made up for it from the foul line. Of the final 16 points by the Dutchmen, 14 came by way of free throws. Coach Calvo emptied his bench in the second half in an attempt to find the "right combination" but was unsuccessful as Potter continued to be the only one to hit with consistency.

Strong Second Half Saves Victory Over Vikings 73-61

The Moravian cagers battling steadily throughout in a close ball-game last Friday night at East Orange, N. J., limited Upsala to three field goals in the first 17 minutes of the last half in route to a 73-61 victory over the Vikings.

The Greyhounds, down 31-32 after a dismal first half, started to roll in the final 20 minutes behind the sensational shooting of Ducky Potter who wound up as high scorer of the game with 29 points.

Vikes Favored

The Vikings, who had scored a 57-52 victory over highly touted St. Peters of Jersey City earlier in the week, were favored. The cagers piled up a 55-42 lead as the Vikings couldn't find the range with 7:30 to play. The lead mounted to 63-45 with five minutes left.

Coach Rocco Calvo's quintet again used the foul line to a good advantage. The Hounds made 29 of 39 free throws scoring 11 of their last 13 points from the charity line.

A set shot by Hal Rice early in the second half gave Moravian its first lead, 33-32. The Hounds never again trailed as they scored their points in bunches to pull away. Potter, hitting with jumps and drives, as well as 7 for 7 from the foul line, paced the drive.

Big Finish

With five minutes left and Moravian leading 63-45, the Upsala second team took over and scored six points in 17 seconds. From there the reserves battled the Bethlehem collegians on even terms.

The cagers are now 11-5 on the year and 10-3 in the Middle Atlantic Conference.

Trackmen Run In Two Meets Fail to Place

The Greyhound trackmen participated in two track meets last weekend, but failed to place in either event.

On Friday, Feb. 13, the runners traveled to Philadelphia to take part in the Philadelphia Inquirer meets. Sophomore Jim Worman and freshman George Fiegel ran in the 1,000-yard dash event and both failed to place.

Both men performed better than they had at the Evening Star meet held earlier this season in Washington, D.C., but the competition was also tougher in the Quaker City.

On Saturday the trackmen went to New York City for the New York Athletic Club Indoor Games held in Madison Square Garden. Team members for the One-Mile Relay Handicap included juniors Ted Encke, Bob Kern, Worman and Fiegel.

The event was run against Villanova University and several athletic clubs which had Olympic members running for them.

On the whole the Moravian men performed better as a team than before, but the competition was too great and they did not place in the event.

Mo-women Clip Centenary, Bow To Dutchgirls

Moravian's Houndettes picked up one win and their first loss last week as the girls' basketball season got into full swing. The girls clipped Centenary College for Women, Hackettstown, N. J., 44-29, last Wednesday, but dropped an away contest to the Lebanon Valley Dutchwomen, 53-42.

The Houndettes led all the way in defeating Centenary. After breaking out to a 4-0 lead, Moravian led at the end of the half, 23-11.

The Centenary girls rallied in the third quarter but couldn't do any better than match points with Moravian. The Houndettes outscored their opponents in the last quarter, 12-9, and the game ended with Moravian picking up its third win 44-29.

Top scorers for the Houndettes were Vicki Kokolus, with 17, Faith Mong 14, and Judy Clay 13.

The Houndettes got off to a bad start in the Lebanon Valley game, dropping in only seven in the first quarter while the L V girls salted away 30. Things evened up a little more in the second half, with the halftime score reading 31-16.

Lebanon Valley picked up a little more in the third quarter, and it wasn't until the final minutes that the Houndettes began to rally. The Moravian girls poured in 20 points in the final quarter, but it wasn't enough to overcome the big LV lead.

Vicki Kokolus led all scorers with 23 points.

The Benchwarmer

by Neil Eskolin

Tonight is the night many people in the Lehigh Valley have been waiting for — some skeptically so, others optimistically so. The big event is, of course, the Moravian-Wilkes wrestling meet to be held in Johnston Hall at 8 p.m. A lot of people in the area have been very impressed with the fine showing that the Hound matmen have made and we'll be solidly backing the locals in tonight's encounter. Moravian carries into tonight's match an unblemished record of 7-0 this year and an over-all win streak of nine straight carried over from last season, the Greyhound's first.

Of course this record looks very respectable on paper and in reality it is, but up till now the Hounds have been untested. Granted, they did beat Muhlenberg, and by a sizeable margin at that. But outside of this meet, competition hasn't been too stiff. Tonight, however, it will be. The Wilkes grapplers, under Coach John Reese, in the last three seasons and so far this year have compiled an unbelievable record of 36 wins, two losses, and one tie. Moravian's nine in a row starts to look a bit puny after this, doesn't it?

Coach Reese commented at the start of the year that he believed that Wilkes' domination of the MAC would come to an abrupt end this year after sweeping the two most recent conference championships by comfortable margins. If Moravian doesn't top them tonight, though, they are just about "in" since they have only one more match, with not-too-potent East Stroudsburg STC.

Coach Reese commented at the start of the year that he believed that Wilkes' domination of the MAC would come to an abrupt end this year after sweeping the two most recent conference championships by comfortable margins. If Moravian doesn't top them tonight, though, they are just about "in" since they have only one more match, with not-too-potent East Stroudsburg STC.

Wilkes lost three individual MAC champions last year but this apparently has done very little to weaken them. The two aces this season seem to be Dick Stauffer at 123, who was Pennsylvania State Champ in the high school 112-pound class last year, and senior captain Walt Glogowski at 177 pounds. Of course, as their record would indicate, no man on the squad seems to be a pushover.

The Hounds also have a couple of aces of their own; freshman Bill Rinker, undefeated this season, and senior captain Bob Silvetz, who also owns a perfect record. Backing them up will be (records not including the Haverford meet last Wednesday) once-beaten Dave Cornelius, Dan Turner and Gus Rampone in addition to three more impressive freshman, Bob Sallash, Ron Myers, and Lou Rozelle. This young aggregation has so far proved that they are good, but tonight they will get their opportunity to prove whether or not they are great.

See ya on the bench.

Mo-Mo Matmen Take Lebanon Valley, 19-9, For Eighth Straight Win

Again led by ex-Bethlehem High aces Bill Rinker and Bob Silvetz, coach Paul Kuklantz's grapplers made Lebanon Valley their eighth consecutive victim, their sixth thus far this season, by a convincing 19-9 score last Saturday at Annville.

Rinker opened the match in his usual manner by disposing Rick Vespe in 4:30 with a half nelson and crotch. Returning to the lineup after a one-match lay-off due to a shoulder injury Dave Cornelius displayed his speed, aggressiveness, and good form in decisioning Barry Kernard 6-0 in the 130-pound bout.

Following a Hound defeat in the 137-pound bout, Dan Turner threw his opponent after 3:55 had elapsed. Lebanon Valley's lone unbeaten Dave Miller pulled

out a hard fought 6-5 decision over Ron Myers at 157. Time advantage spelled the difference.

Silvetz, along with Rinker, kept his seasonal record unblemished as he decisioned Carl Wesolowski, 6-0 in the 167 class. Football captain Gus Rampone sewed up the victory, decisioning Paul Longgreen, 3-1.

Ken Longenecker, 320 pound giant, muscled his way past Lou Rozelle in the heavyweight clash. The Lebanon Valley record now stands at 1-7-1.

Houndettes Trim Nurses 39-25; Clay Sinks 23

The Moravian College Houndettes moved back into the winning column as they edged past an active St. Luke's Nursing School team, 39-25, on Tuesday night in Johnston Hall.

The game, which began three quarters of an hour after the scheduled 7:15 time, due to the late arrival of the St. Luke's team, saw Judy Clay move into the top scorer's notch with a total of 23 points.

The opening quarter of the game witnessed a Houndette point surge with 8 of their 10 points being scored by Judy Clay. The 6 points scored by the opposition were evenly spread out between their three forwards.

A flurry of wild passes by members of the St. Luke's team marred efforts to gain points in the second quarter, which resulted in an increase of one point, scored from the charity line. Mo-Mo continued its scoring efforts at a more intense pace to gain a total of 15 new points, bringing the half-time score to 25-7.

The third period saw the tables turned as the visitors put on a scoring spree to tally up a total of 12 points, greatly aided by some fast rebounding. A lagging Houndette team came through with only 7 points for the period.

Fouls, Wild Shots

The final quarter saw both teams plagued by a series of fouls and wild shots as the coeds eked a one point advantage over their opponents for the period to score 7 points to St. Luke's 6. The final score of the game was 39-25.

Next after Clay's 23 points came Houndette captain Vicki Kokolus with 11 and Vicki Tinnis with 3.

Houndette forwards were Faith Mong, Bo Snyder, Judy Clay, Vic-

ky Kokolus, Vicki Tinnis.

The guards for the game were Dolores Lang, Bev Luzietti, Sandra Yaeck, and Dora Thomas.

Tuesday night's win brought the Houndettes record to 3 wins and one setback.

Tonight's Free Movie

Open City is the title of the movie to be presented by the Concert-Film Committee in Johnston Hall 9 and 10 after tonight's wrestling match.

The 103-minute movie was filmed in Italy in 1945 and is strong in portraying the intense realism seen in movies in the post-World War II period.

Open City tells the personal story of the people of Italy during the Nazi occupation. A leader of the resistance, aided by a Catholic priest, is the central character.

The spirit of humanity which arises in all crises of mankind is illuminated as the conflict reveals those who side with freedom and those who fail.

Open City is the film responsible for catapulting to fame director Roberto Rossellini and stars Anna Magnani and Alda Fabrizi. It received the Grand Prize at both the Venice International Film Festival and the Cannes World Film Festival and a special award from the New York Film Critics.

HEY! What's Goin' On?

TKE And A E Pi Give Party For 42 Orphanage Children

The members of Alpha Epsilon Pi Sorority and Tau Kappa Epsilon Fraternity were host to 42 children from the Sacred Heart Children's Home in Coopersburg on last Saturday afternoon in the TKE House.

Kathy Werst, AEPi president, and Jack Casey, chairman of the TKE social activities committee, were in charge of all arrangements for the Valentine's Day party. A special committee of TKE members also assisted.

The activities of the afternoon consisted of special games for the children, ranging in age from 2 to 6 years, cartoons, and refreshments. Paul Meilinger, TKE vice-president, served as narrator for the movies.

Refreshments served to the group included ice cream, punch, cookies and potato chips.

Balloons and toys were also distributed to the children.

quired at that rink and also at the Bethlehem Municipal Rink about the possibility of group rental, noted that the cost would run anywhere upwards of \$50 depending on the number of students attending. Since the USG treasury would provide the funds to cover the bill, the event would be free to students.

LVSOGA To Meet

USG vice-president Peter French announced that the National Vice-president of the National Student Association, Mr. Fred Werner, will be at Moravian on Friday, Feb. 27, and urged as many students as possible to attend his talk.

French also announced that the next meeting of the Lehigh Valley Student Government Association will be held Saturday, Feb. 28, at Cedar Crest College. Honor and judicial systems employed at the member schools will be discussed at that time.

John Woltjen announced that the Student Union Planning Committee is arranging for trips to neighboring colleges to determine the type of Student Union which is incorporated at the various schools. The first of these trips will be to the University of Delaware sometime around Easter.

The Candidates

Bartolet has been a member of the football, wrestling, and baseball teams, and a member of the Varsity "M" Club and the Men's Hazing Committee. He has also been co-captain of the wrestling team. He is a history major from Easton and is a member of Tau Kappa Epsilon fraternity.

French, a history major from North Plainfield, N. J., has been a dorm counselor, a dining hall proctor, football manager, cheerleader, a member of Triangle, the choir, and the Social Activities Committee. He has been chairman of SAC and of the Hospitality Committee of Religious Hospitality Week, and Vice-president of USG.

Gray, a history major, has been president of the Interfraternity Council and of the Class of 1960. He has also been active in the

Political Activities Club and the Social Activities Committee, and has been headwaiter in the men's dining room. A member of Tau Kappa Epsilon fraternity, he is from Pottstown.

Lipari, a history major from Easton, is a member of Omicron Gamma Omega fraternity, and has been a member of the Interfraternity Council, and the Varsity "M" Club, he has held the office of treasurer in each.

MacDonald, president of the sophomore class, is a pre-law major from Staten Island, N. Y. He was vice-president of his freshman class and is an OGO pledge. He is also sports and news writer for *The Comenian*.

Pappajohn, who is from Bethlehem, is majoring in Business Administration and is treasurer of Tau Kappa Epsilon fraternity. He has been a member of Sigma Phi Alpha, the Finance Committee of TKE, the Veteran's Association, and *Benigna*.

Miss Albrecht is a Spanish major from Cheltenham and is a member of Alpha Epsilon Pi sorority. She has been a member of SAC and secretary-treasurer of the Inter-sorority Council.

Miss Laning, an education major from Palmyra, N. J., is a member of Phi Mu Epsilon sorority, and has been secretary of the Women's Athletic Association, a member of the girl's hockey team, and a cheerleader.

IRC Gets \$20

Robert Russoli, representative from the International Relations Committee, requested that \$20 of USG funds be allocated to the organization to enable it to pay its state and national dues. A motion was passed to that effect.

Treasurer Ted Lekorenos announced that the estimated balance in the USG treasury is \$1,128.76. He was unable to give an exact total, as some 40 students have not returned to school for the second semester, and it could not be determined at this time what the uncollected inclusive fees would have amounted to.
