## Alumni Program Features 'Evening In Paris' Is Theme Of Farewell; Cornerstone Laying, Panel Dance Music To Feature Lanin, Gillespie

by Marcia Morgan

Laying of the cornerstone of the new Men's Dormitory at 10:15 a.m. tomorrow will be a highlight of various weekend activities scheduled for the annual alumni program, the theme of which is to be "Development."

Following the cornerstone laying, a panel discussion will be held in Johnston Hall, Room 9, at 10:30 a.m. The subject to be discussed will be "My Alma Mater in 1979."

Robert P. Snyder, Director of Development, will be the guest

speaker at a post-luncheon meeting in the Women's Campus Chapel at 1 p.m. His topic will be "Alumni Help in Planning Development."

Officiating in the laying of the cornerstone will be Dr. F. P. Stocker, president of the Board of Trustees, Dr. R. S. Hauptert, president of the college, Dr. A. A. Nagle, president of the Alumni Board, The Rev. Henry A. Lewis, chaplain of the college, and Peter French, president of United Student Government.

Robert S. Lukens, assistant to the general manager of Bethlehem Steel Corp., will moderate the panel discussion. Members of the panel will include Mrs. Jane Craven Arpe, of the staff of the Bethlehem Globe Times, Dr. George G. Sause, Jr., of the economics department of Lafayette College, Easton, Pa., and Jack Ridge, of the Moravian College department of physics.

Special five-year reunions will be held at 6 p.m. today and tomorrow. Various classes have planned dinners and dinner-dances.

Registration for alumni will take place tomorrow from 9 a.m. until noon in the Alumni Board Room on Women's Campus and in Johnston Hall on Men's Campus. At 8:30 a.m. tomorrow, a golf match will be held.

Reunion Class pictures will be taken from 9:15 until 9:45 a.m. tomorrow for women, and from 9:45 until 10:15 a.m. for men. A coffee hour will be held in the Emcee and Femcee and tours of the Men's campus will be conducted from 9:15 until 10:15 a.m.

Luncheon will be served in the Women's Campus Dining Room at 12:15 p.m. Price will be \$1.25 per person. At 1:45 p.m. an Annual Business Meeting will be conducted in the chapel on the Women's Campus.

Members of the committee who recently visited the student union at the University of Delaware also reported on their findings.

**CORRECTION**  
Epsilon Beta Alpha Business Club was one of the six organizations evicted from USG at its meeting, Tuesday, April 14. Alpha Psi Omega, Dramatics Fraternity, which was reported evicted, is under the Fine Arts Board, and therefore is not represented separately in U.S.G.

Following a baseball game with Muhlenberg College at 2:30 p.m., there will be a punch hour in the George Washington Room on the Women's Campus at 4 p.m.

A church service will be conducted in the Men's Campus Chapel at 11 a.m. Sunday.

Alumni are also invited to attend the student Senior Farewell formal dance in Johnston Hall at 9 p.m. today.

## Changes In Yearbook Policy Announced By Mrs. Beecher

Mrs. Jean Beecher, faculty advisor for the 1959-60 yearbook announced new changes in the yearbook policy early this week.

According to Mrs. Beecher, one of the major changes will occur in the photography department. She feels that the photo reproductions in the past years were not as good as they should have been due to the company printing the book. She says that she would like to see all photographs with a uniform intensity and background rather than they were in other years with both light and dark background pictures on the same page.

Mrs. Beecher also stated that certain aspects of the college life are neglected in the yearbook. The yearbook will include photographs of actual happenings rather than photos of students posing for pictures as has been done in the past. This will include

The Social Activities Committee has announced that the theme for tonight's Senior Farewell Formal Dance has been changed to "Evening in Paris." The original oriental theme idea announced in last week's Comenian was discarded upon purchasing the present decorations from Emmaus High School.

The dance will be held from 9 p.m. to 1 a.m. in Johnston Hall.

### Five Finalists

The five finalists in the Senior Farewell Queen contest were announced early this week by Kathy Donchez, chairman of the contest. The finalists and their escorts are as follows: Barbara Banker of Dobbs Ferry, New York, escorted by Henry Gilbert; Barbara Brunner of Bellmore, New York, escorted by Edward Ressler of Montclair, New Jersey; Mrs. Janette Doncsecz, escorted by her husband David Doncsecz of Allentown; Ruthann Mathis, escorted by Lynn Couch of Somerville, New Jersey; and Julia Ruprecht, escorted by Fred Donatelli of Bethlehem.

The Queen will be chosen by the two band leaders at a dinner to be held today at 6 p.m. in the South Campus dining room. She will be crowned this evening at about 10:30 by Mary Ann Gingles, queen of the 1958 Senior Farewell Dance.

### Two Bands

Continuous dancing music will be provided by two bands, a ten-piece Lester Lanin orchestra and Matt Gillespie's fourteen piece orchestra. The Lanin group will be directed by Jerry Carr.

The decorations were constructed by the junior class of Emmaus for a formal dance held last week in Johnston Hall. Members of the committee were on hand to help arrange the decorations and after consultation decided to buy them.

Peter French, co-chairman of the 1958-59 SAC, when asked to explain this move said, "We felt that the excellent decorations by Emmaus High School would save much time and labor by our students." He stated that this did not imply that the Emmaus students had done better than Moravian students can, but rather that it is ridiculous to waste student time to do something which has already been done.

### Decorations

Although the Emmaus decorations are the basis of the theme, Joan Albrecht, co-chairman of the 1959-60 SAC, emphasized that the Committee is adding a lot to them.

The decorations are highlighted by French murals on the walls, the traditional crepe paper ceiling, and a huge Arc de Triomphe

Policy and the Reader . . .

With the publication of this issue of *The Comenian*, the various new editors assume their responsibilities. It is their sincere wish to produce a weekly newspaper of an ever increasing caliber.

In order to fulfill this desire it is necessary that the reader be fully acquainted with the basic policy *The Comenian* shall adhere to during the coming academic year.

*The Comenian* shall continue its long standing policy of criticizing those individuals and organizations, whether administration, faculty, staff, or student, whose actions it deems to be detrimental to general student betterment. It shall likewise praise and commend those persons and groups whom it considers deserving.

*The Comenian* shall strive to expand its coverage of student events so as to provide its readers with an increased knowledge of campus life as a whole. It shall attempt to give equal space and coverage to all campus fraternities and sororities and all other groups. Whenever two or more organizations are included in one story, they shall be listed alphabetically.

Through its editorials and features, *The Comenian* shall attempt to reflect student opinions and ideas on controversial campus topics. It shall strive to view these problems from a mature, overall view, which may differ on occasion from general student thought. Only those editorials written by "guest" writers will be signed. On all other occasions, the editorial will be written by the editor, whose name appears in the mast head.

*The Comenian* shall continue to provide a concrete means of student expression through its printing of letters to the editor. The only qualifications are that they come from a member of the student body or faculty and that they do not exceed five hundred words and that they are signed by the author or authors.

In past years *The Comenian* has been notably free from administrative and faculty censorship, and it shall strive to maintain this position.

The new editors assumed much responsibility upon accepting their positions. But the responsibility does not stop there. To the reader is given the responsibility of acquainting himself with the news and information in each week's issue and of them assuming an intelligent role in the life of his college.

Also, the reader has the responsibility of expressing his own criticism or approval through letters to the editor. This reciprocal responsibility has never really been accepted by most Moravian students, who seem to have terrifically strong back bones in small discussions, but who then apparently crumple into jellyfish when it comes to publicly expressing their thoughts.

*The Comenian* is staffed by Moravian College students for their fellow students, and it is a success only in as much as it is supported by the readers through their use of its facilities as a means of obtaining the news and of expressing their ideas. Let's use it!

KEEP OFF THE GRASS!!

by Neil Eskolin

Ha-Ha! You thought they fired me huh? Well, no such luck—yet. There's just been a little shiftin'

around mit the personnel. The old editors are caput and the new regime has arrived. Before the retiring chiefs go back to normal civilian life though, we want to take this opportunity to thank them

both for the fine job they did.

Many long tedious hours were spent in the *Comenian* den by these two illustrious crusaders. And for all their hard work little was derived other than self satisfaction and a pile of complaints. You had to see them pounding out editorials and completing unfinished jobs to appreciate the job that they did. So once again we want to say to them, "Thanks, a lot for a job well done."

Hey Gang, this is the big weekend! Many festivities are planned, so don't forget to join in on the fun. The dance is tonight and Old Archie's Gym is really done up fancily for the big night. That's not all either. There's lots in store tomorrow. The alumni duffers will have their chance to prove that they can shoot a par for 18 holes when they challenge the "'59 model" golf squad.

Tomorrow is also cornerstone laying day for the new dorm. Before that however, I have just one hope—and that is that they get enough of a corner built by tomorrow to put in the cornerstone.

Did you hear, if the new dorm is finished by next fall the lucky men students will be able to reside in this luxurious dwelling for the low, low, bargain, cut rate, introductory price of \$3,468.47—down, and the rest in 37 convenient installments. Now, this may, at first glance, seem a trifle high, but when one carefully stops to peruse the many comforts that will be afforded the fortunate residents — well, then he's convinced that it's too high. In any case start making your reservations for your very own new dormitory room right away. It's rumored that even students from the University of Lower Slobovia are clamoring to get a room in this new edifice.

On the serious side though—but who wants to be serious? Work is progressing on the new dorm. We could say that work is progressing very rapidly, but that would be a gross distortion of the facts.

Do you lackadaisical readers realize that if you would write a letter to the editor, you would be spared the pleasure (?) of reading this incipid drivel, as it would more likely be printed in this very space. — Let's get on stick!! It doesn't take too much effort. Just sit down at your little desk, grab a pencil, writing stylus, piece of chalk, charcoal, or any other writing implement and start praising, complaining, expounding or anything.

Well, perhaps we'd just better THINK!

"NAW, I DIDN'T RENT IT — I'M JUST LUCKY TO HAVE A ROOMMATE WHO OWNS A TUX."

# The Inside Scoop

by Russ Simonetta

As you can see you have a new sports editor for the coming year. Neil Eskolin, who is moving up to associate editor, certainly deserves a pat on the back for a job well done during the past year. Writing the sports column will give me a chance to be a Monday Morning Quarterback. On controversial sports issues, if need be, I will express my line of thought, and of course, we won't always agree. So, I would gladly welcome your opinion either personally or by letter. In sports as in life the better prepared you are, the greater the chance for success. Hence I believe in a winning spirit and will write along these lines, and to test my judgement now and then, I may throw in a prediction or two. So, let's get rolling!

Moravian's sports scene has certainly made the news ticker jump lately!

Probably the most outstanding accomplishment was Dean Harvey ("Gil") Gillespie's 200th victory in his long and successful baseball coaching career at Moravian. Gil, the Dean of Lehigh Valley coaches, certainly knows his baseball well, and deserved to be the coach of every team which helped to obtain his FIRST 200 wins.

Following last Thursday's 5-3 win over Muhlenberg, Gil's record stood at 200 wins, and 89 defeats for a winning percentage of .690 for 19 plus years of coaching. His teams also have played to 3 ties over those years and so far this year they have a 6-2 record. Hats off to you, Dean Gillespie!

Steve ("Doc") Sydorak, assistant football coach at Moravian this past season, has been appointed as head coach at Bethlehem High School. The much sought after, and hard to keep coaching job will certainly test Doc's ability. I predict much better football fortunes for the Red Hurricanes.

Sydorak entered the coaching ranks as head coach at Sayre, Pennsylvania High School in 1945-6-7, compiling a 20 win, 4 loss and one tie record. From 1950 to 1953, he was assistant to Johnny Butler at Bethlehem High. The Hurricanes won 29, lost 9 and tied 1 in those years.

While he was assisting at Moravian under Lawrence Rosati, Jim Streve, and Rocco Calvo, the Greyhounds have a record of 35 wins, 24 losses and 1 tie. Sydorak has never been on a coaching staff that has had a losing season. Watch for his terrific record to continue.

Roland ("Rollie") Passaro, former pitching star and 1957 graduate has been assigned to the Tulsa Oilers of the AA Texas League. Rollie signed a contract with the St. Louis Cardinals organization upon graduation from Moravian and is still owned by them, and is moving steadily up the minor league path. If he keeps improving, look for Rollie to break into the majors within a season or two.

Bill Hershey, current centerfielder and pitcher for the Hounds, ranked seventh in the nation for small colleges with a terrific .510 batting average, according to official N.C.A.A. statistics for the 1958 season. Kauffman of Kutztown State won the national small college batting championship last year with a .548 average. Best of luck Bill in picking up those hits.

How about that 25-1 shellacking the Hounds handed Lebanon Valley last weekend. The Hounds banged out 21 hits and everyone enjoyed the circus!

Let's support our athletes!

# Bartolet Elected President Of Varsity "M" Club For '60

In a meeting held on Tuesday morning April 28, Charlie Bartolet was chosen to serve as president of the Varsity "M" Club for 1959-1960.

Others chosen to serve as officers include vice president, Dick Chergey; treasurer, Dave Cornelius; secretary, Mike Lansenderfer; USG representative, Russ Simonetta, and alternate USG representative, Bill Rinker.

At the meeting the recipient of the 1959 Varsity "M" award was chosen. The award will be given at the annual Spring All-Sports Banquet later this month. It was also decided that all seniors in the club will be presented with Varsity "M" pins. All members were urged to pay their dues.

Bartolet, a junior History major from Easton, has participated in football, wrestling, and baseball. He was co-captain of the wrestling team last season. Bartolet has also served on the Men's Hazing Committee and is a member of Tau Kappa Epsilon Fraternity.

Chergey is a junior from New Brunswick, New Jersey and is majoring in Business Administration. He has played on the baseball and basketball teams and is

Rinker is a freshman business administration major from Bethlehem. He has been a member of the wrestling team and is a pledge of Sigma Phi Omega fraternity.

# Greyhounds Trample Hapless Dutchmen In 25-1 Slaughter

The Moravian College baseball team brought their hitting clothes along on Saturday when they buried the Lebanon Valley Flying Dutchmen by a score of 25-1.

There's no telling how far up the score might have travelled if the Hound sluggers weren't forced to quit in the seventh inning. The umpires mercifully called a halt to the hitting barrage at that time.

**CANCELLATION**  
The baseball game which was scheduled for St. Joseph's College last Monday, was cancelled due to inclement weather and according to Harvey T. D. Gillespie, Director of Athletics, will not be rescheduled.

## Mo-Mo Netmen Drop Fifth Match To Hofstra, 8-1

The Greyhound netmen succumbed to their fifth straight defeat without a win, last Saturday at Hofstra College. The final tally was 8-1.

A whitewash was averted as Frankman Dick Spaugh bested Bruce Lerner in three sets, 3-6, 7-5, 6-4. Dan Simon and Hal Cole also went three sets for the Hounds, only to be defeated. The collegians from Hempstead, Long Island are 5-1 on the season, losing to Army.

Rain postponed the scheduled match with Muhlenberg on Tuesday. F and M will be here tomorrow, and the Hound netmen will travel to Muhlenberg on Thursday to make up the rainout.

The summaries:

Singles: Baldwin (H) defeated Lipkin, 6-3, 6-3; Kraus (H) defeated Lazarowitz, 6-0, 6-1; Baker (H) defeated Simon, 7-5, 3-6, 6-1; David (H) defeated Cole, 4-6, 6-1, 6-3; Rage (H) defeated Feigel, 6-0, 6-4; Spaugh (M) defeated Lerner, 3-6, 7-5, 6-4.

Jim Gano, promising pitcher from Easton, got much more hitting support than he needed from the Hounds' 21 hit attack. Jim, in winning his second straight game of the young season, gave up only three hits to the Dutchmen and was never in serious trouble. In fact, he outhit the opposition all by himself as he connected for four hits, including a double and drove in two runs. He shut out the Dutchmen until the final inning.

Big George Hollendersky, Gano's battery-mate, also contributed four hits and is now sporting a .500 (14 for 28) batting average this season. Holly had a double and triple and drove in three runs.

Jeff Gannon definitely strengthening his hold on a starting position, collected four hits for four times at bat, and led the Hounds in RBI's with five. Jeff, showing more power than the average lead off man, also belted a home run.

Hal Rice and "Pops" Chergey also clouted homers. Chergey, starting at first base, singled in addition to his homer. Moravian scored at least once in every inning but the third. They garnered their best total in the fifth as they scored eight runs.

## Four Hounds Leading Squad At Midseason

After the first eight games of the season, George Hollendersky, Jeff Gannon, Tony Matz and Bill Hershey seem headed for banner a season.

Hollendersky led all batters with a .500 average. George had 14 hits in 28 attempts including two home runs, two doubles and a triple, which helped him garner 11 RBI's to also lead in this department.

Gannon, who has recently been as hot as a burning coal, had a .471 batting average to rank second in batting on the squad. Jeff had eight hits in 17 at bats, including a home run and six RBI's.

Matz was third with a .423 average going 11 for 26 with a double, triple and 3 RBI's.

Bill Hershey, leading hitter of a year ago, was batting an even .400 with ten hits in 25 attempts. Included were nine RBI's and his grand slam home run against Lafayette.

## Rain-Soaked Golfers Up Seasonal Record To 3-2

Moravian's golfers braved heavy rains and winds Thursday to defeat Albright, 11-7, at Berkshire Country Club. Coach Harold Bilheimer's record now stands at 3 wins against 2 losses.

Bobby Volko took medalist honors for the Hounds with a fine 79. Low for the Lion's was Bill Protheroe with a 78.

Against Haverford last Friday, the golf team dropped a 13 1/2-4 1/2 decision. Tom Volko and Frank Silfka scored for the Hounds by edging their opponents 2 1/2 to 1/2 and drawing 1 1/2 to 1 1/2, respectively. Bob Volko scored the other half point.

Albright Summaries:

Tom Volko (M) and Mim Smallwood halved, 1 1/2-1 1/2; Ducky Potter (M) defeated Lynn Sarig, 3-0; Bobby Volko (M) defeated Bob Goodman, 2-1; Bill Protheroe (A) defeated Gene Sallay, 3-0; Buddy Soloff (M) defeated Bob Carlson, 2-1; Frank Silfka (M) defeated Dick Danona, 2 1/2-1/2.

### Senior Farewell . . .

(Cont. from p. 1, col. 5) at the entrance. In the foyer there will be a section of a French cafe.

The murals are accented by red and white striped awnings. Some were made by French and Miss Albrecht and some were purchased. Aqua crepe paper is being used for a tent-like ceiling. Multi-colored pom-poms and a few lighted lanterns are suspended from the supporting wires. Bob Gray directed the ceiling arrangement.

### Bandstand Is Outdoor Cafe

The bandstand is at the north end of Johnston Hall. Constructed by Bob Fish and Burke Johnson, it represents an outdoor French cafe. Near the bandstand is a model of the Eiffel Tower which serves as a throne for the Senior Farewell Queen.

Table decorations consist of red and yellow flowers, black candles, and black programs against white table cloths. The favors will be the traditional Senior Farewell certificates. Judy Laning is in charge of the table decorations.

In rooms 9 and 10 the committee has set up a lounge. An exhibit of paintings entered in the Lehigh Valley Art Contest has been hung on the walls. Sherbet punch will be served in the lounge during the entire dance. Al Bornstein, co-chairman of the 1959-69 SAC made arrangements for the lounge.

## Library Rooms To Be Relocated In Arts Building

The library reference and reserve rooms will be moved for the fall semester from their present location to the main floor of the Arts Building.

The reason for the change is to provide more area for studying and for book storage. The Arts building can accommodate 70 people and will provide stack space for approximately 10,000 to 12,000 volumes.

### Organizations To Move

According to Robert P. Snyder, Director of Development, the organizations which are presently located in the Arts Building, *The Comenian*, *The Benigna*, the Blackfiars, and the *Band*, will in all likelihood be relocated in other areas. However, exact locations have not been decided as yet. "The approval of the organizations will be necessary before any definite action is taken," Snyder said.

## College Plans To Discontinue Slater System

Charles H. Kuhn, comptroller, has announced that the contract with the Slater System has not been renewed for next year. The Slater System has been the caterer for the North Campus Dining Room since 1951.

In place of a professional caterer, the college will employ its own food service in the Men's Dining Room, as is now done in the South Campus Dining Room. As the college has always used its own service and facilities the changeover will not be drastic, according to Kuhn.

### No Reason Given

No official reason was given for the change. According to Kuhn, however, the college was of the opinion that with the planned installation of eating facilities in the new student union building, "it was felt that we should re-establish our own system."

A faculty committee of five has been at work for the past four months discussing the dining situation. Members of the committee are Robert P. Snyder, chairman, Dr. Vernon Couillard, Dean of the Seminary, Harvey T. D. Gillespie, Dean of Men, Miss Halcyon Sartwell, Dean of Women, and Kuhn.

In place of the caterer, the college will employ its own professional dietitian and food manager and will hire its own employees. A menu comparable to that followed in the past will be offered.

Another area which the committee has been working on is that of method of service. A plan to change the present system of family style service to one of a cafeteria style has been contemplated, but no decision on this matter has been reached as yet. Many problems involved in the conversion, Kuhn said, would have to be met and solved in the event that such action were taken.

Kuhn added that "Moravian College has the potential for taking adequate care of its own dining facilities. Because we are not amateurs in the field, there is every chance for success in this endeavor."
