- 2) What details are the same in each photograph? What details are different in each?
- 3) Based on what you have observed above, list three things you might infer from these photographs.
- 4) Using what you have learned about the *Lusitania* from your textbook and other readings we have done as a class, explain how these photos portray the event.
- 5) What, if any, questions do you have after looking at these images?
- 6) How might these photos have been used as propaganda to encourage people to join the military and fight in the war?
- 7) How could these images relate to the Moravian Church's interest in self-sacrifice to help one's brethren in their time of need that is mentioned in the previous articles (i.e. Comenian 1915 issues) we read for class?
