Biographical/Historical Note:

The Moravian College Alumni Association was first organized in 1884 to further the interests of the college and theological seminary and to promote fellowship between students and graduates. Its counterpart, the Alumnae Association of the Moravian Seminary for Young Women was formed in 1890. The two organizations were united in 1956 in support of the coeducational merger. The Alumni Association fosters communication between members and their Alma Mater through a variety of activities including annual reunions, Homecoming, and Founders Day. Additionally, the association encourages career-networking opportunities for students and recognition for academic excellence and leadership through awards and publications. The association also promotes the formation of regional clubs and life-long learning opportunities for alumni in the form of speakers and educational trips.

Scope and Contents Note:

The Records of the Alumni Association offer insight into the efforts undertaken to promote the welfare of Moravian College by encouraging alumni to actively participate in the values of the community. The records include the original minute books of the association's precursors which provide a historical context for its formation and development. Also included are the minutes of

annual meetings, records reflecting activities such as the Antiques Show, and files on individual alumni.

Organized in eight series, the Records of the Alumni Association span over a century. The **Historical Files** series (1884-1955) consists of minute books for both the alumnae and alumni associations as well as two regional clubs, correspondence, clippings, and event programs predating the merger. The **Administrative Files** series (1953-1995) consists of annual meeting and Board of Director minutes, correspondence, committee files, constitutions and by-laws. The **Alumni Council** series (1935-2004) is divided into two subseries: **Constituents** (1935-1990) which includes the records of regional clubs, and **Programs** (1936-2004) which contains records relating to numerous activities from Homecoming to the Second Monday Round Table. The **Recognition** series (1944-2001) consists of records relating to awards administered by the association. The **Student & Alumni Relations** series (1972-1990) details the Alumni Input program designed to “obtain the advise and counsel of the college’s alumni.” The **Subject Files** series (1955-1992) consists of special events, statistics about alumni, fundraising, the association’s insurance program as well as additional items. The **Publications** series (1927-1992) contains alumni directories and news releases. Finally, the **Alumni Files** series (1954-2004) consists of information about select Moravian College alumni. Some have been inducted into the Moravian College Alumni Association’s Hall of Fame while others have been honored with various awards. The individual files contain newspaper clippings, correspondence, articles, photographs and Alumni Association data forms.
