COURSE PREREQUISITES
1) The flutist must display superior skills to meet the demands of the ensemble.
2) Permission of the instructor.

COURSE OBJECTIVES
1) Understanding and attainment of the fundamental skills necessary for ensemble performance.
2) Successful performance of chamber ensemble works.

COURSE CONTENT
Rehearsal, performance and instruction of challenging flute ensemble compositions.

STUDENT COMPETENCIES
Demonstration of increased understanding and attainment of ensemble skills.

GRADING
Based on instructor’s evaluation of student completion of competencies and course requirements.

COURSE REQUIREMENTS
1) Regular, punctual attendance at rehearsals and performances.
2) Outside self-directed practice necessary for successful performance of course content.
3) Active participation in realization of course goals during rehearsals and performances.
