ATTENDANCE POLICY
Since participation in the class constitutes a substantial part of the work of the course, unexcused absences will lower grades as follows.
2 unexcused absences : 10%
3 unexcused absences : 20%
4 unexcused absences : 30%
5 unexcused absences : 40%
6 unexcused absences : failed course

Excused absences require a doctor’s note or a note from the Student’s Affairs Office.
Note: Absent students are responsible for all assignments. A doctor’s excuse does not excuse the student from submitting required material. Consistent lateness (late for class 6 or more times) will lower the grade by 10%.

ACADEMIC HONESTY
Please refer to the Student’s Handbook for the College’s policy

GRADING
The final grade for the term will be based on the following criteria:
• Completeness: the work incorporates materials required by the assignments and in-class exercises.
• Quality: the work is prepared in a way that exhibits a high quality of understanding and mastery of the assignment
• Pertinence: the work incorporates techniques and practices from this class
• Attendance
Note: Students can expect to work a minimum of 4 hours per week to prepare for this class, which includes individual and ensemble practice.
