MEEEL01@moravian.edu
Office Hours: M-F 11:30AM-3:30PM

Course Objectives:

Beginning Golf PE113 is a course that is designed to introduce the game of Golf to our students that are interested in learning the game of Golf. Introduction will include the following: Grip, stance, swing mechanics, etiquette, basic rules, putting, and basic terminology. We do not think it is possible to learn to play the game in a seven week class, but if we can teach the basics and develop an interest in the game we are well on our way to becoming a better golfer. Golf is without a doubt the hardest activity class that we teach, and success may be very slow in coming. Golf is a lifetime activity and is something all can continue to play regardless of age or sex.

Textbook Required:
None

Course Requirements:
1. The students grade is based solely on attendance, and nothing on ability
2. Proper attire is required

Evaluation:
The course is graded Pass/Fail, and attendance is the primary method used to issue a grade
