1. **Class and Clinical attendance is required.** Students are expected to be prepared for all class/clinical meetings; that means having completed assignments prior to attending class/clinical.

2. **If unable to attend a class,** please contact the course faculty via email or phone. Students are responsible for obtaining any notes, handouts, or other class items from classmates. If **unable to attend clinical,** the student must contact the clinical instructor the morning of the clinical experience. Alternative assignments may be required at the discretion of the course faculty.

   *College policy will be followed relative to inclement weather.* Please check the College web-site or call (610) 625-7995 for any announcements relative to weather and the cancellation of class.

3. Plagiarism is the intentional use of another’s words or ideas as your own. This can range from using another individual’s direct words or changing the words slightly (paraphrasing) without the appropriate citation to purchasing a paper from the Internet or a professional writing service. Evidence of plagiarism or academic dishonesty will be handled according to the college policy on academic honesty; copies which are available in the nursing department.

4. Any student who wishes to disclose a disability and request accommodations under the Americans with Disabilities Act (ADA) for this course first MUST meet with either Mrs. Laurie Roth (610-861-1510) in the Office of Learning Services (for learning disabilities and/or ADD/ADHD) or Dr. Ronald Kline (610-861-1510) in the Counseling Center (for all other disabilities).

Methods of Evaluation:

1. Theoretical Examinations (4) (#1, 2 & 3) (15%), #4 cumulative (20%)  65%
2. Research Project
   - Group Presentation*  10%
   - Critique*  5%
3. Problem Solving Activities  20%
   - Diet Conference (1, 10%)*
   - Medication Calculation Quizzes (2, 5% each)
4. All students will complete the ATI *Fundamentals* proctored assessment as scheduled at the end of the course. Moravian College nursing students are expected to achieve Level 2 proficiency in all ATI proctored assessments.

Students will be required to show proof of successful review/remediation in low performing areas. This may include reviewing content in modules or completion of case studies in review modules or through other strategies. In any case, students will be required to earn a score of 95% or better on the online practice assessment. The student may take the online practice assessment as many times as needed to achieve this outcome. For all students earning less than a Level 1 proficiency on any proctored assessment, the student is required to earn a grade of 95% or better on the online practice assessment in order to fulfill program and graduation requirements.

4. **Attendance** Attendance is a requirement for classroom and clinical components of the course, therefore faculty members will use their discretion to deduct points from the final course grade for any unexcused absence(s). Five tenths (.5) of a point will be deducted for each unexcused absence.

**Lateness** Faculty members will use their discretion to deduct points from the final course grade for any lateness. Four incidences of lateness will equate to 1 absence, deductions will be made according to the attendance statement above.

5. Assignments are expected on or before their due date. Five points per day will be deducted from grade if assignments are handed in late.

6. Clinical Evaluation*,** P/F
**Includes satisfactory completion of Practicum: Skill Demonstration, required assignments, clinical worksheets, wound care reactions papers (address role of RN and healthcare team members and identify of health promotion behaviors/interventions) and conference participation.
