Course Requirements

Learning Center- This should be an activity oriented learning center for any grade level and can correlate to your demonstration theme. All materials must be provided at the station. The center should be attractive, inviting and safe. Attention should be given to at least 3 learning tasks. Clear instructions must be given. One or two students should be able to interact at the center.

In Class Demonstration- Your colleagues will be your elementary students as you teach a lesson on one of the five areas of the social studies standards: civics and government, economics, geography, and history and behavioral sciences. It must cover content, a hands on activity, subject integration, and children’s literature. It must include a lesson plan, an assessment, and a rubric for a project assignment. The teacher made test must include various forms of assessing, such as multiple choice, labeling, matching, fill-ins, and essays. You may include a powerpoint. This should be about 30 minutes in length.

Internet Sites- You must review three social studies internet sites and fill out the form provided. You must be ready to share what you researched.

Map or Globe- Be creative with a 3D map or globe that represents the world, a state, a city or a neighborhood. It can be made of any kind of materials.

Travel Brochure or 3D city- Create a travel brochure of a landmark, city, or state. Make it attractive, colorful, full of facts and pictures. It should be approximately 4”x 9” when folded up.

3D City- This project can be constructed of paper but represent a city or neighborhood with buildings, roads, landmarks, trees, rivers, etc. Labeling is important.

States and Capitals Game or Vocabulary Bingo or State License Plate or Rainstick or Pinata- Be creative and ready to share with the class.

PA or NJ History Unit Plan- You are to create a two week unit on PA or NJ History for fourth graders. The unit should include:
