NOTE: All course requirements must be completed to receive credit for the course. Unexcused late course work will lose 10% of its value for each weekday that it is late. Arrangements for "excused lateness" must be made in advance and approved by the instructor.

Violation of the scholastic integrity policy of Moravian College will result in a grade of zero.

ATTENDANCE

---You are expected to attend class regularly. If it is necessary for you to miss class for a valid reason please contact me at home (prior to 2:00 PM). You will be responsible for any material you have missed and all class announcements.

PARTICIPATION

---You are expected to actively participate in class discussion and activities. Class attendance and class participation do not have the same definition. An "unexcused absence" will result in a 10% deduction from the class participation grade.

PORTFOLIO ENTRIES
---You will begin to collect materials that can be used in the portfolio that is developed during student teaching.

FIELDWORK JOURNAL

---A fieldwork journal is to be kept of all fieldwork experiences. There should be an entry made after each visit. Please provide an introductory paragraph or two describing the classroom, the students, the level of instruction, the text and other supplementary materials that are used. If during your visits a test or quiz is given, describe the kind of assessment given and for what skill area it is intended. Additionally, there should be comments made as part of your entries that also describe questioning strategies used, teaching methods, discipline, use of group work, the use of the target language, and the general atmosphere of the classroom. You should participate in the classroom instruction (group work, mini-lesson, etc.) as prescribed in the guidelines established by Moravian College. In addition to the overview of the fieldwork journal as described you will receive a list of specific topics that are to be included in your entries.

JOURNAL ARTICLE REVIEW

---Synopses of one article. It can deal with any aspect of the course. The summary is to be a one to two page, word processed paper. A personal reaction to the article should be included. The title, author and periodic credit is to be written at the top of the first page.

FOREIGN LANGUAGE SOFTWARE / THE INTERNET

---Preview at least one FL software program. (It should be a program with which you are not familiar.) Write a two page summary of program to include identity, objective, features, and use in the curriculum. Include your personal observations.
---Browse the web to discover sites that would be helpful to the foreign language teacher and the development of foreign language curriculum. Create a list of websites and develop a classroom project using the Internet. Guidelines for the project will be provided.

WRITTEN FOREIGN LANGUAGE UNIT

---This unit will be thematic using language in context and will include the four skills of language learning: listening, speaking, reading and writing. These skills may also be referred to as the interpersonal, interpretive and presentational communicative modes. Cultural concepts should be included.
Guidelines for the unit will be provided and it will consist of five to ten lesson plans.

**MICRO TEACHING**

--- A lesson of your choosing will be presented to the class to be accompanied by a lesson plan and any materials needed by the students.
