Grading Criteria:

- The lesson grade submitted by the instructor will be based primarily upon...
  1. 50% - The student’s preparedness pertaining to each aspect of the weekly homework assignments.
  2. 50% - Quiz/test results from throughout the semester.
  3. The resulting average (0-100 points) will then be adjusted (as described below) to account for any punctuality or attendance issues that have occurred during the semester.

- Please note that it is within the instructor's purview to apply qualitative judgment in determining grades for an assignment or for a course.

Attendance:

- Students are required to attend all scheduled lessons. Excused absences are limited to those which are accompanied by a physician's note AND are communicated to the instructor via his home telephone # (610-276-4280) prior to the scheduled lesson. Excused absences will be made up at the discretion of the instructor.
- Students will receive a zero (out of 100 possible points) for each unexcused absence.
- Punctuality is essential. Repeatedly failing to show up promptly at the scheduled time will result in the student’s final grade being lowered by 4 points (out of 100 possible points).
- If the student fails to show up within the first 20 minutes of his/her scheduled lesson time, then the incident will be considered an unexcused absence and the tardy student will receive a zero for the day.
