MORAVIAN COLLEGE

PARKING RULES AND REGULATIONS 2015–2016
Introduction

The following regulations apply to the Moravian College campus and to all members of the College community. For purposes of enforcement, the Moravian College campus is defined as all property owned by Moravian College and all roadways and lots within a half-mile of campus. (The half-mile boundaries are as follows: from campus north to Dewberry Avenue; from campus east to Linden Street; from campus west to Eighth Avenue and Schoenersville Road; south to Third Street. The defined area includes the streets between the Main Street Campus and the Hurd Campus and the parking lot under the Hill-to-Hill Bridge.) [Click here to view half-mile radius map] The regulations have been established and are enforced to provide employees, students, and visitors with a safe campus environment and reasonable access to campus facilities. Moravian College reserves the right to revoke or deny parking privileges to individuals who fail to comply with these stated regulations.

Regulation of off campus parking by Campus Safety & Police is not a “police” function in the traditional sense of the word. Rather, it is regulation enforced by Campus Safety & Police to assure fulfillment of contractual obligations, which Moravian Staff and students have as members of the Moravian community. Moravian has a significant impact upon the neighbors who live and work around the College and, to mitigate that impact, has promised to control parking practices of those who participate in its community activities. It does that by advising campus constituents about where parking is allowed, and where it is not, and, if those parking restrictions are breached, the violations are enforced with the issuance of noncriminal notice of parking violation with which members of the College community are obligated to comply. They are enforced as any other contractual obligation would be. That is, fines may be levied, and, if levied they remain unpaid; the College has the opportunity to withhold rights and privileges otherwise accorded to that member of the College community.

Effective August 1, 2015, the regulations contained herein supersedes and replaces all previous regulations to parking on Moravian College property. Any subsequent changes in rules and regulations will be announced through College announcements and the Comenian. Questions related to parking and motor vehicle operation on campus should be directed to the Department of Campus Safety and Police, 119 W. Greenwich St., 610 861-1421.

Registration, vehicle hangtags and parking permits enable the campus police to enforce these regulations, protect available space, and identify owners of vehicles without having to contact local or state authorities.

IX. Vehicle Safety

A. Have your car key in hand before you get to your vehicle.
B. Lock your car at all times.
C. Always look under your car before getting in.

F. Park in well-lit areas. Look around before leaving or returning to your vehicle.
G. If you break down on the highway, tie a white cloth to the roadside car door. Roll up your windows, lock all doors, and stay in the car until official help arrives. If someone else stops to help you, do not get out, and do not roll your window down more than a crack. Instead, ask the person to telephone for help.
H. Keep packages and valuables out of sight in vehicles; secure in trunk (for example, CDs, laptops, purses, stereo equipment, and GPS devices).
I. Report the license plate number of a suspicious vehicle to the police.
J. When parking your vehicle for extended periods of time, frequently visit your vehicle. This activity may prevent a vehicle break-in.
