10 Best Study Strategies

1. Read the syllabus.

2. Preview class material before you attend class.

3. Arrive on time to class and sit in front.

4. Take notes in a format that doubles as a study aid.

5. Review your class notes and add text notes within 24 hours of class.

6. Form a study group and meet regularly throughout the semester.

7. Study for an exam with the format of the exam in mind.

8. Keep a planner and write everything in it.

9. Be aware of the time and place that enable you to concentrate on studying.

10. Get to know your professors. Visit office hours and e-mail them.

If you have any questions about implementing these strategies or would like to learn additional strategies, just call Learning Services to make an appointment.
